# DATASHEET

|                            |                 |
|----------------------------|-----------------|
| Hide Type                  | European Bovine |
| Tanning                    | Mineral         |
| Dyeing                     | Penetrating     |
| Surface                    | Smooth grain    |
| Thickness                  | mm 1.0-1.2      |
| Light fastness ISO 105-B02 | >= 4 blue scale |

Sample colours are indicative.  
Due to technical reasons it is not possible to guarantee the same tonality of colour from one lot to the other.

Maintenance: regularly dust with a soft and dry cloth.  
Avoid cleaning with aggressive products.
