WHETHER YOU'RE AWARE OF IT OR NOT, IF YOU ARE A LISTENER OF MODERN MUSIC, YOU HAVE LIKELY HEARD THE VOICE OF THE WORLD FAMOUS TONY WILLIAMS ALREADY.

Five-time Grammy Award-winning singer and songwriter ANTONY "TONY" WILLIAMS is certainly one of the most heard voices in today's musical landscape.

He's written, sung and performed with JAY Z, NAS, THE GAME, RICK ROSS, and most notably, his first cousin KANYE WEST. He's been by West's side through the recording process from inception to end for every one of his solo albums as a vocalist, writer and/or arranger. Williams has toured internationally with West on every one of his major tours, and has been a part of G.O.O.D. MUSIC since 2004.

In 2012, Williams' debut album, "KING OR THE FOOL - AN OPERA: VOL. 1," marked his official introduction as a solo artist. "KING OR THE FOOL" is packed with all-star features including vocals from JOHN LEGEND, RAHEEM DEVAUGHN, and STOKLEY WILLIAMS (MINT CONDITION), as well as production from NO I.D., BINK!, HIT BOY and KANYE WEST. "ANOTHER YOU," also featuring West, debuted online and on radio outlets in several markets.

Williams released "THE 7TH DAY EP" in 2017, which featured "ANOTHER YOU" and four additional songs featuring CYHI THE PRYNCE, PHAROAHE MONCH and others.

He was also a part of the recording process for many of the infamous "Wyoming" releases from G.O.O.D. Music, including PUSHA T's "DAYTONA" and TEYANA TAYLOR's "K.T.S.E."

Williams is nearing the release of "TO GAIN THE WORLD: KING OR THE FOOL, VOL. II," which he recorded while assisting West to create "THE LIFE OF PABLO." VOL. II is, in Tony's words, "the essence of pure soul," which encompasses the genres of "blues, funk, rock-and-roll, jazz and gospel. All of those genres grew from soul."

A selfless, soulful innovator, he promises consistency while still aiming to reinvent himself with every record. He's enlisted the likes of powerhouse vocalist MARSHA AMBROSIOUS (FLOETRY) as a featuring artist on VOL. II, as well as WALE, TY DOLLA \$IGN, and saxophonist KEITH ANDERSON (FORMER ARRANGER AND LEAD HORN PLAYER FOR PRINCE).

Williams is currently serving as choir conductor and master of ceremonies for KANYE WEST'S "SUNDAY SERVICE" series.

"TO GAIN THE WORLD: KING OR THE FOOL, VOL. II" is expected to debut this spring.
