WE DESIGN

We believe taste is a deeply personal fact, while the concept of beauty is universally shared beyond styles and categories.

Our design ethos recognizes the transformative power of creativity. Our collections are designed and crafted with an aesthetic that prioritizes the balance of shapes and refinement of construction details.

WE DEVELOP

Our streamlined design and production processes take place under one roof.

Melagio's dedicated design team plays an important role in translating innovative ideas into product samples, rigorously tested for durability and strength.

The transition from a sample to large-scale production is facilitated by cutting-edge machinery, maintaining precision and efficiency at every step, while the skilled hands of our craftspeople add the final touches.

WE MANUFACTURE

Melagio's manufacturing base in Turkey encompasses state-of-the-art facilities, equipped with the latest technology, ensuring consistent, timely, quality production around the clock.

Operated by a team of highly skilled engineers, operators and craftspeople dedicated to precision and excellence.

We locally and responsibly source raw materials to provide a touch of luxury to your space in a sustainable manner.
