

GOeX

FEEL GOOD. DO GOOD.

2023 PRODUCT

WHY OUR SHIRT IS BETTER

GOEX USES A SIMPLE TEE TO CONNECT THE CUSTOMER AND THE WORKER. OUR CUSTOMERS SUSTAIN FAIR WAGE JOBS THAT LIBERATE WORKERS FROM POVERTY AND EMPOWER THEM IN THEIR FAMILIES AND COMMUNITIES.

HOW DOES A SHIRT DO THIS?

FAIR WAGES, DIGNIFIED EMPLOYMENT THAT STRENGTHENS FAMILIES.

SUSTAINABLE FABRICS OR COMPONENTS IN EVERY GARMENT

SOCIAL IMPACT IN THE US AND HAITI

HIGH QUALITY, FAIR TRADE MANUFACTURING

USA FABRICS CUT AND SEWN IN HAITI TO LOWER THE CARBON FOOTPRINT

"LE TRAVAIL C'EST LA LIBERTÉ"

"Work is freedom". When asked about going to work even when the trip there is dangerous, this was the response of our team members in Haiti. A fair wage job truly has the ability to liberate and empower people.

Our story began in 2010 in Gulu, Uganda with a woman named Lucy who had a sewing center, but no work. Our parent organization, The Global Orphan Project, created work for her sewing school uniforms and a few other items. This work gave Lucy dignity, provided for her family and for others, and changed their stories from charity to empowerment.

GOEX Apparel builds on that foundation by providing US consumers the opportunity to contribute to family strengthening and job creation programs around the world. You have the ability to change lives through a simple purchase decision. Perhaps most importantly, your partnership sets an example in the marketplace that ethical commerce can affect systemic, bottom-up change through the dignity of work.

By choosing GOEX, you are choosing a better shirt for a better world.

Eco Triblend

Our USA triblend fabric is 50% REPREVE® Polyester (which is equal to 5 recycled water bottles in each garment), 37% Cotton, and 13% TENCEL™ (which is made from renewable raw material wood created by photosynthesis and can revert fully back to nature). At 4.4 oz it is slightly heavier weight than many triblend, keeping this shirt looking great wash after wash.

Cotton

Our USA premium cotton fabric is a super-soft 100% ringspun cotton. At 4oz, it is the perfect weight for comfort and wearability.

Our USA standard cotton is a more economical choice. The open end construction gives it a heavier, more substantial feel (weighing in at 4.7 oz). This fabrication is available in limited colors while supplies last.

Fleece

Our USA Premium Fleece fabric is super soft, super warm. Made from 73% Cotton/19% Polyester/8% Recycled Polyester and weighing 8.75oz, this fabric is a must have when you need to stay extra cozy.

Our USA Heathered Fleece fabric is made in partnership with CiCLO®. Their patented technology transforms synthetic fibers into biodegradable fibers that can be re-absorbed into the eco-system. It is lighter weight (7.2oz) and even softer than our Premium Fleece. Made from 50% Cotton/25% Poly/25% CiCLO®, this fabric has the perfect balance of warmth and breathability.

Polyester Repreve

Our USA Polyester is made from 100% REPREEVE® Polyester. REPREEVE® turns plastic bottles into certifiable, traceable, high-performance yarn. The contents of your recycling bin become our lightweight 3.54oz performance interlock that is perfect for activewear and the office.

Customize with GOEX!

GOEX offers more than comfy tees and fleece! We also offer customization on any of our apparel items. Here are options for working with our art team to customize your order:

3. Create Something New

If you can dream it, our Creative Team can design it. Proofs will be provided on the garments you select for approval. Your Sales Rep will provide a quote for art time before design work begins.

YOUR INSPIRATION
(THIS VIEW IN AN ILLUSTRATED STYLE,
MUTED COLORS WITH A DOG AND HIKER)

OUR DESIGN

A FEW MORE DETAILS:

- Reorders of a design will not include additional art fees.
- The minimum order for screen printing is 24 pieces of the design - that can include a mix of garments as long as the art remains the same size and colors.
- We print orders 5-7 days after art approval and payment. Transit times vary by location. Please place your orders with plenty of time before deadlines as rush orders may incur additional fees!
- Custom products are not returnable. In the rare case that a mistake happens in printing, please notify your sales rep immediately for a refund or replacement. Return of the defective product may be required.
- Click [HERE](#) to see our FAQ page.
