

NO-SEW RECIEVING BLANKET

PATTERN IS FREE FOR PERSONAL ONLY. NO COMMERCIAL/RESALE USE

*The fabric used in this walkthrough is a 1YD remnant of GOEX Apparel's Trib-Blend Jersey. The finished blanket is approximatley 36" square. These instructions can be applied to 1.5 & 2YD cuts of jersey for larger babies.

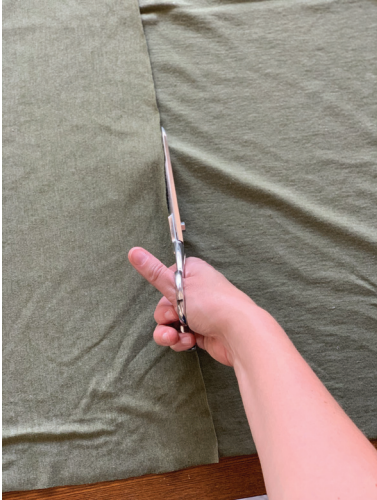

1. Lay fabric out flat on table

2. Fold top corner down and line up with bottom edge

3. Cut bottom layer to match up with the side of the top layer, creating a folded triangle.

4. Unfold traingle for finished blanet

*Optional: finish edges with overlock machine for a more polished look
