DESCRIPTION

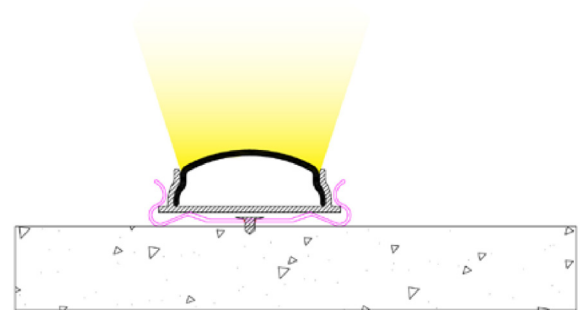

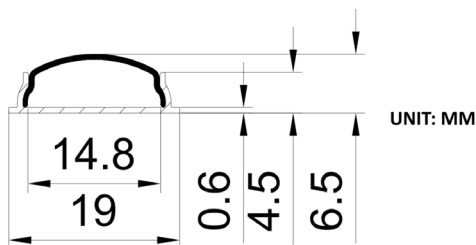

LED Flexible Aluminum Channel includes our aircraft grade aluminum channel and compatible frosted lens. Creating a modern and sleek style LED strip light installation has never been easier.

KEY FEATURES

- It comes in 2-meter sections and can be custom cut to any length.
- 19 mm wide by 6.5 mm height.
- Perfect for mounting LED Strip Light up to 12 mm in width.
- Rigid, Flexible, and dustproof housing can be mounted onto any flat surfaces or bend for curved lighting applications.
- Includes aluminum channel, diffuser, 2 mounting clips, and 2 end caps.
- The Channel lens protects LED strip light from the environment and creates diffused lighting effects. Easy to install, simply clip the diffuser lens into the aluminum channel.
