

HOW TO SET UP YOUR JUNIOR BOUNCER

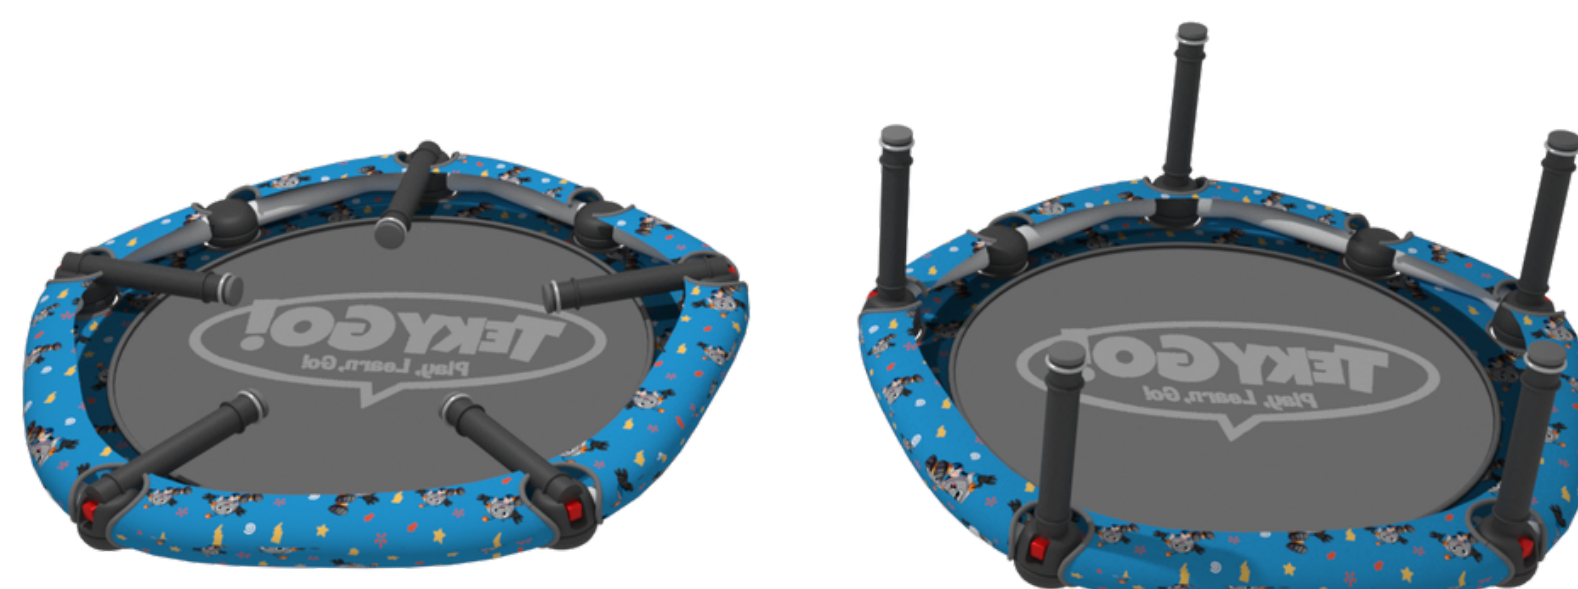

STEP 1

Unfold your Junior Bouncer so it's lying face down with all legs facing up

STEP 2

Pull the legs up and snap into place. You should hear a click after a leg is properly assembled.

STEP 3

To assemble the Safety bar on your Junior Bouncer, hold the red buttons at the bottom of the bars and place the bars into their designated holes. Release the buttons once in place.

HOW TO TAKE DOWN YOUR JUNIOR BOUNCER

STEP 1

To disassemble the Safety Bar from your Junior Bouncer, hold the red buttons at the bottom of the bars and pull up until they are released from the Junior Bouncer.

STEP 2

Each leg has their own red button at the top. To fold each leg back in, hold the red button to release and fold into the Junior Bouncer.

STEP 3

To fold the trampoline in half, press the large red button located on the rim of the Junior Bouncer (underneath the cover) until it releases. Then, fold in half.
