STATEMENT

WE MAKE UPCYCLING

Luken is a brand created in Mexico. Our products are made with 100% recycled HDPE and POLYALUMINUM (aka tetrapak).

We collaborate with socially responsible companies and help them close their cycle.

We add value to discarded materials through design.

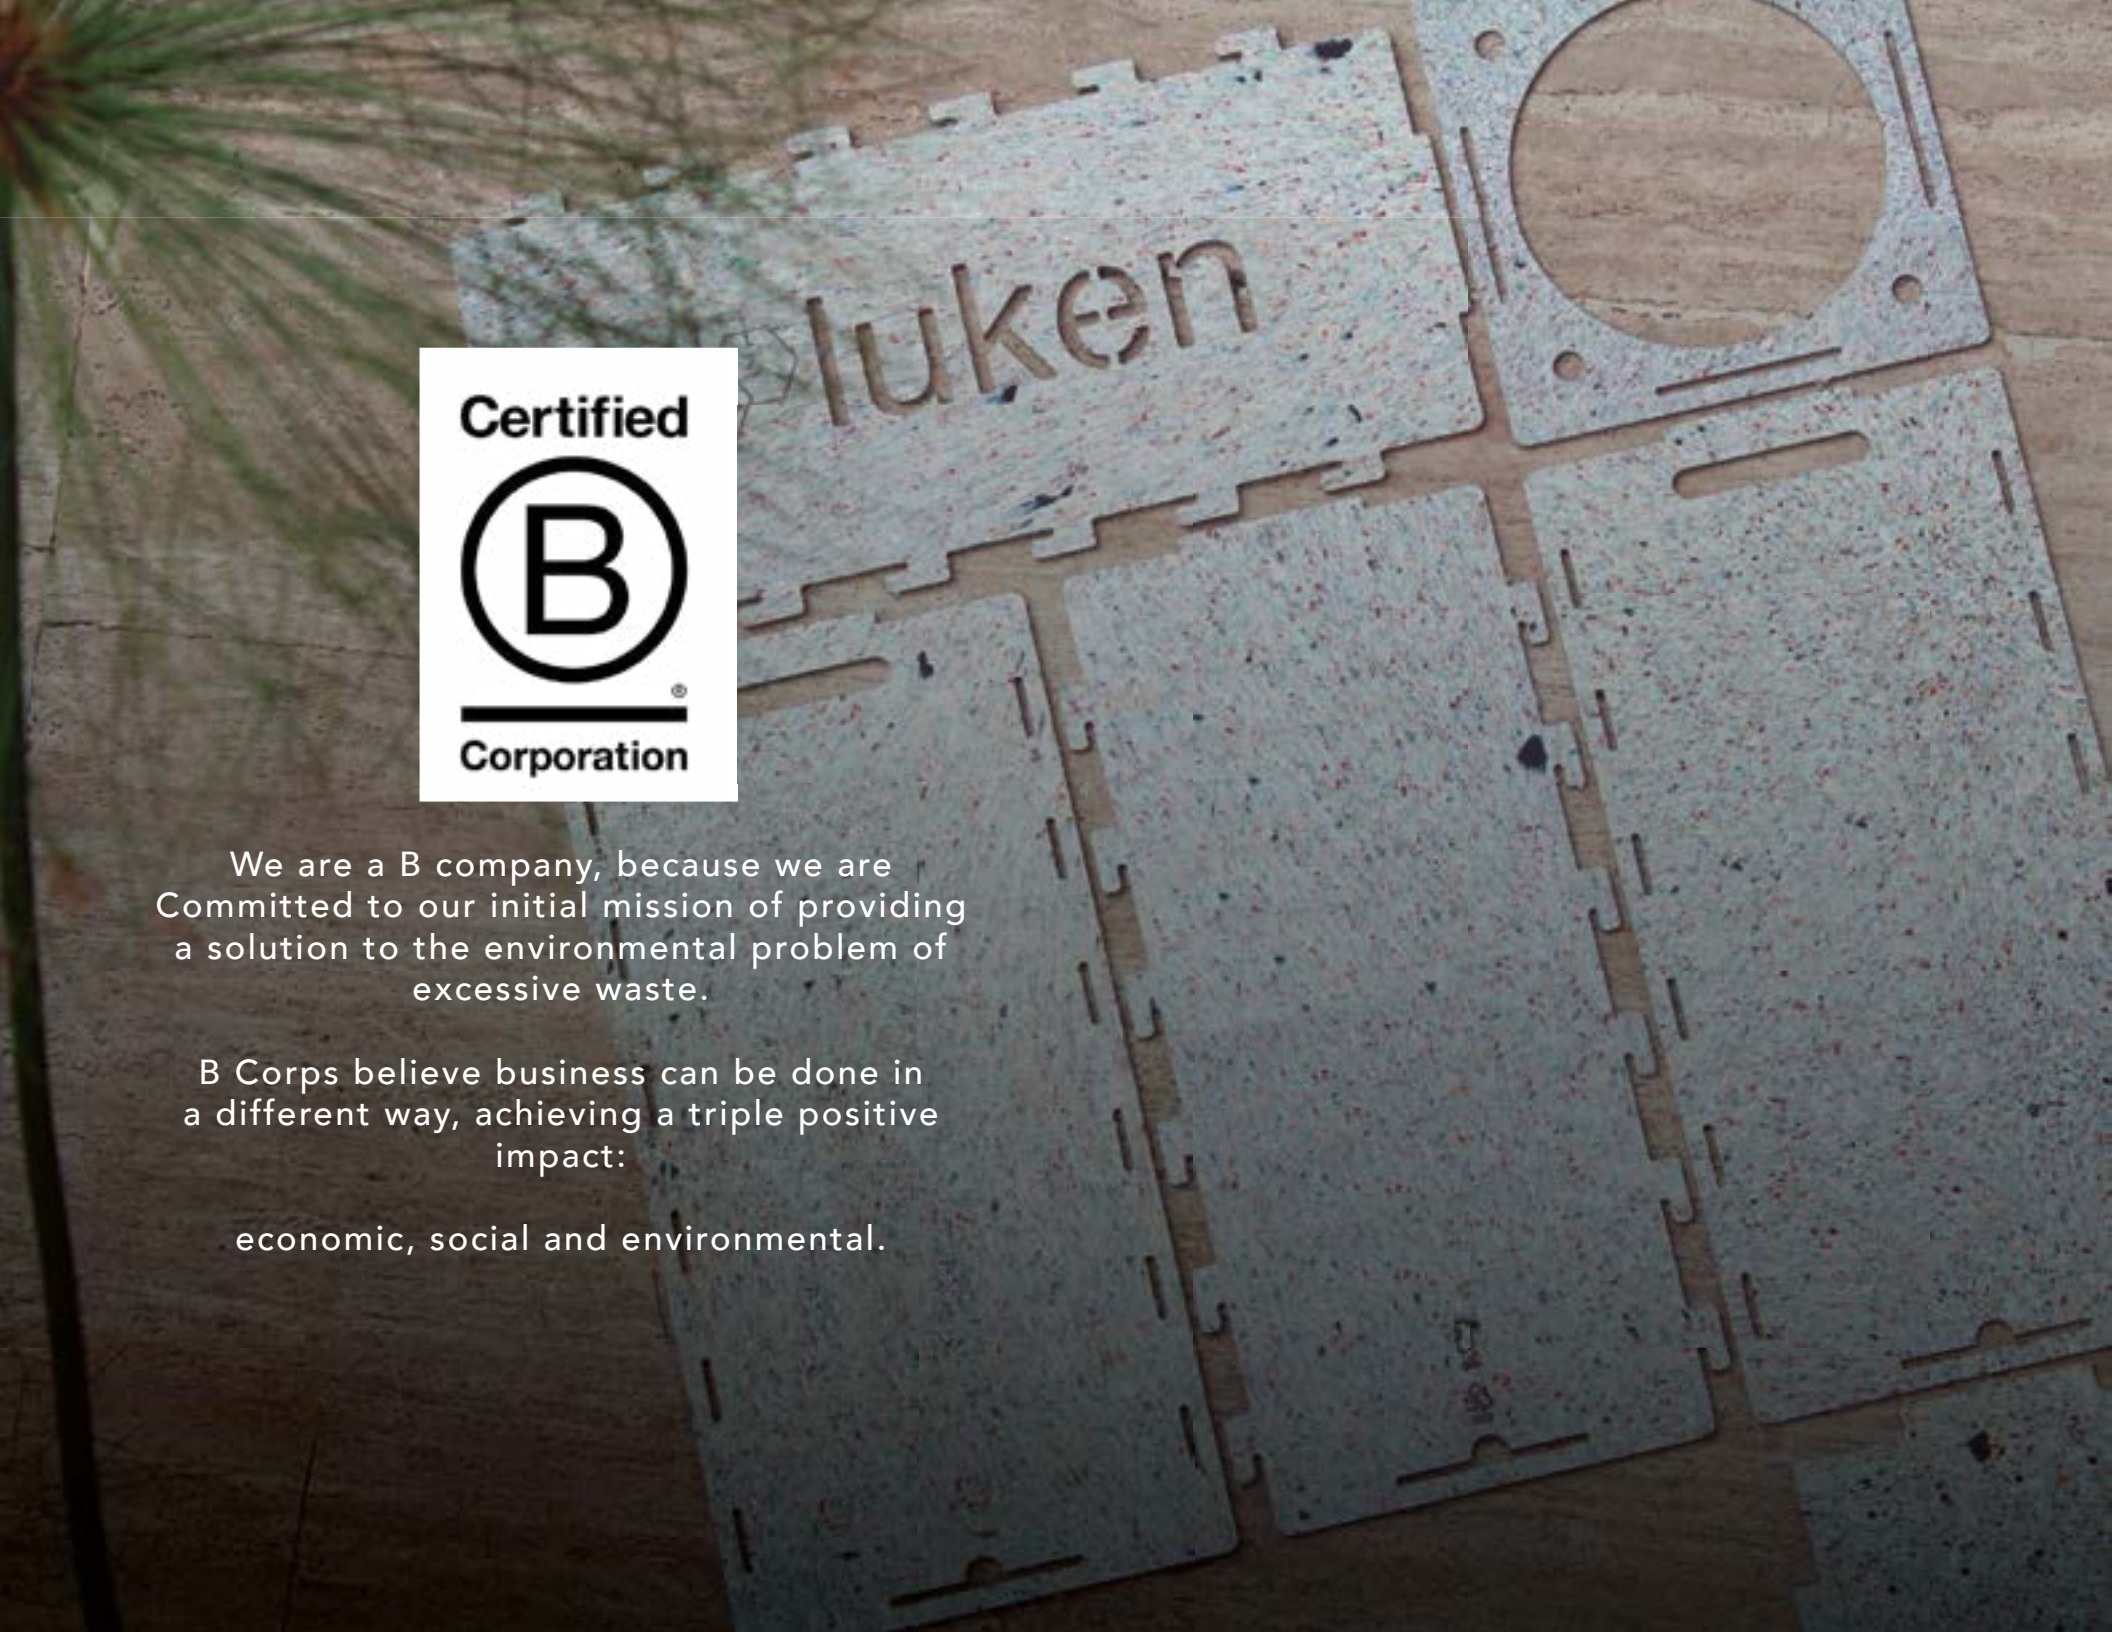
Our moto: There is no such thing as rubbish.

Upcycling

Resistant

Easy to assemble

Unique design



Certified B Corporation

We are a B company, because we are Committed to our initial mission of providing a solution to the environmental problem of excessive waste.

B Corps believe business can be done in a different way, achieving a triple positive impact:

economic, social and environmental.
