## **OUR COMMITMENT TO FOOD SERVICE**

#### Quality

We take pride in the quality of our products. Our vertically integrated supply chain ensures this quality from farm to table. Our food service-ready products, celebrated for their freshness and superior taste, are designed to meet the high standards of your industry. Our bacon, known for its smoky, hearty flavor, is perfect for enhancing any dish on your menu.

#### **Sustainability**

We share your commitment to sustainability and ethical sourcing. As a Prop 12 compliant company, we guarantee the ethical treatment of animals. We prioritize ecological balance and responsible business practices, aligning with the values of many food service providers like you.

#### **Food Service Ready**

Our products are meticulously designed keeping your needs at the forefront. We offer consistent quality, easy preparation, and versatile usage across our product range. Whether your business is a restaurant, hotel, retail full service counter or catering service, our products are not just designed to meet your demands, but to surpass your expectations. By maintaining our commitment to safety, quality, consistency, and efficiency, we aim to be your trusted partner in the food service industry.

### Layout

Layout bacon from Pederson's Farms offers a couple of distinct advantages. Firstly, the layout format is particularly beneficial for quickly setting up and cooking a substantial quantity of bacon at once, guaranteeing a consistent and efficient culinary experience. Additionally, cooking it right on the parchment it is packed in adds another layer of convenience, ensuring a seamless and quick cooking process and preserving the consistent quality and flavor that Pederson's Farms bacon is renowned for.

### Slab

Slab bacon from Pederson's Farms brings unmatched versatility while minimizing spoilage. Our commitment to quality extends to the customizable nature of slab bacon, allowing it to be cut precisely to the unique needs of the customer. Whether you prefer thicker or thinner slices, small pieces for soups or pasta, or a seasoned and re-smoked variation for a personalized flavor profile, slab bacon offers a tailored culinary experience. Beyond its adaptability, using a whole slab reduces oxidation, preserving the consistent freshness and quality that defines Pederson's Farms bacon.
