The Choice of Working Professionals

Think Tank Photo designs camera bag solutions for working professionals. Our products are born from the collaborative efforts of professional photographers and product designers, working together with a common goal: create the most innovative and effective solutions for any and all photographic situations.
PHOTOGRAPHERS + DESIGNERS = INNOVATION

Paul Zoeller
Great customer service from @thinkTANKphoto getting parts to me ASAP

Anne Edgar Photography
thank you Think Tank Photo for the replacement thin skin pouch sent last month, your customer service is stellar!

Fran Ruchalski
A grommet on my Credential Holder came out... they sent me a new one without delay... That’s a company that cares about their customers... I will be a customer for life.

RCP Photography
A huge thank you to THINK TANK PHOTO for the amazing level support as well as great products, replacement handle to the rescue less than 24 hours after calling in while traveling.
