

10L TriBag

The 10L water resistant TriBag optimizes barrel organization and makes accessing food and gear easy while reducing the likelihood that the item you need is loose at the bottom of the barrel. When purchased in quantities to match your barrel size, 60L (3 TriBags) and 30L (2 TriBags) the tapered triangular shape combines to fill all voids. Coloured handles and a clear pocket for labeling and menu plans allow for easy packing and sorting. This ensures meals, equipment or clothing are kept organized with multiple users. When combined with North Waters line of Barrel Accessories the TriBag will ensure any trip runs smoothly. The unique triangular profile also fits in pairs within a kayak.
