Sheer
Driving Pleasure

BMW MODELS M PERFORMANCE PARTS.

BMW 1 Series to BMW 7 Series, BMW X1 to BMW X6.

powered by 

THE NEXT
100 YEARS 

EVERY BMW CARRIES THE MOTORSPORT GENE.

High performance has been a central part of the BMW brand right from the start. So has sporting competition, a compelling force behind the continuous optimisation of performance and driving dynamics – the essential elements that create the legendary Sheer Driving Pleasure that has distinguished every BMW to this day.

For many BMW drivers, the desire to enhance their vehicles takes them above and beyond the usual special equipment options. This is why we have developed BMW M Performance Parts in close collaboration with BMW M GmbH.

They allow you, as a BMW M Performance customer, to stake your own claim in recent racing success – the DTM, for example.

Each component is the result of decades of motorsport experience and goes through an intense development and manufacturing process. The outcome is maximum sportiness without compromise. A perfect match to each BMW model, visually and technically, is of particular importance to us. BMW M Performance offers the ultimate in material quality and functionality, increasing the value of your BMW along with its individual motorsport character.

1929 The history of BMW motorsport begins with a victory for the BMW 3/15 at the prestigious Alpine Rally.

1936 Debut of the BMW 328, the motorsport version of the 326, at the Eifel Race with Ernst Jakob Henne – and an immediate win.

1940 Double victory for the Berlinetta Touring version of the BMW 328 at the Mille Miglia.

1954 The prestigious BMW 501 saloon takes third place at the Monte Carlo Rally.

1960/1961 Hans Stuck takes the German Hillclimb title, aged 60, in the BMW 700. Walter Schneider repeats the success in 1961 in the BMW 700 RS with its tubular frame and aluminium body.

1964 Hubert Hahne dominates the German Circuit Championship in the BMW 1800Ti, winning 14 out of 16 races.

1966 Hubert Hahne becomes the first driver to lap the Nürburgring Nordschleife in under 10 minutes in the BMW 2000Ti.

1968/69 The BMW 2002, for the first time with a turbocharger. Dieter Quester becomes European Touring Car champion two years running.

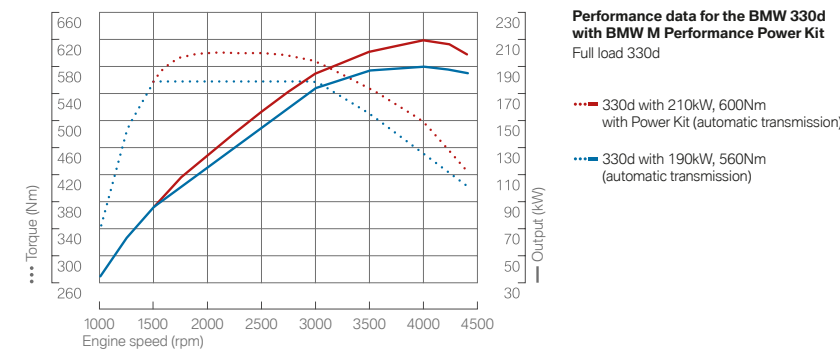

**THE NEXT
100 YEARS**

BMW stands for Sheer Driving Pleasure. But best of all, it stands for your own individual form of driving pleasure. Discover a world of diversity at next100.bmw

THE PERFORMANCE RISES, NOT THE PULSE.

When it comes to improving a BMW – already impressively sporty, straight from the factory – expert focus on all aspects of driving dynamics is far more important than outright engine power.

BMW M Performance lets you individually configure a perfectly balanced package that pays off in measurably better lap times – without compromising on safety. Handling becomes even more controllable and ambitious drivers are able to retain commanding control of their vehicles at the performance limits.

LEADERSHIP FROM THE DRIVER'S PERSPECTIVE.

True dynamism is a sensory experience beyond any measurable value. It's also an attitude to driving that can be felt even more intensely with fully optimised equipment.

BMW M Performance Parts are specially designed to underscore the unique look and feel of BMW M in every situation. That way, the motorsport-developed materials, forms, colours and sounds convey what matters most to the true driving enthusiast – a top-flight, racetrack-style driving experience.

Many BMW M Performance Parts fit perfectly with all of the BMW models listed in this brochure. Choose your desired base equipment from this overview and then fine-tune with BMW M Performance Parts from the specific BMW M model pages.

MORE MOTORSPORT FOR ALL.

1 Carbon wing mirror caps

Meticulously hand-crafted in 100% carbon: the striking wing mirror caps highlight the technologically advanced character of the vehicle. Their dynamic design ensures a particularly high-quality look and creates an individual, sporty accent.

2 Pedal covers/footrest in stainless steel

With their high-quality stainless steel surfaces and asymmetrical profiles, the footrest and pedal covers give dynamic, high-tech character to the footwell. Their striking design also prevents feet from slipping.

3 Key case

An impressive combination of carbon and Alcantara. The key is securely connected to the case by means of a hexagon socket screw in BMW M Blue. Timeless elegance, technical sophistication – and a small but convincing motorsport statement.

4 Track Fix for GoPro cameras

This provides a secure and stable base for professional-quality outdoor shooting on the racetrack. The exterior holder attaches to one of the car's tow hook apertures and the camera can be controlled by an app.

5 Suspension (lowered by up to 20mm)

A ground-hugging stance means even greater dynamic presence – and all M Performance exterior parts look even more effective when a vehicle is equipped with a Sport suspension. But it's not just about amazing visual tuning, this set up also ensures better stability, better cornering dynamics and better safety – and Sheer Driving Pleasure.

6 Drive Analyser

Comprising an on-board diagnostics stick and a smartphone app (iOS and Android). A wealth of information, including engine data, maximum values, throttle and brake pedal use and lateral acceleration, can be professionally recorded and analysed.

7 Black front grille

Emphasise the athletic and dynamic character of the vehicle. With a high-gloss black frame.

BMW 1 SERIES.

AT ONE WITH THE RACETRACK.

- 1 Black front grille, carbon wing mirror caps, Aerodynamics package, 18" brake system, side stripes
- 2 Black Line rear lights, 19" Double-spoke style 405 M, chrome tailpipe trim, silencer, rear fins, Aerodynamics package, 18" brake system, side stripes
- 3 Carbon interior trim with Alcantara
- 4 Alcantara steering wheel II with carbon trim

More parts descriptions can be found on pages 8/9.

Side stripes in black/silver

Highlight the striking lines of the BMW 1 Series.

18" brake system

With inner-vented, lightweight sport brake discs and calipers in BMW M Performance Red, Yellow or Orange. Also with BMW M logo.

Aerodynamics package

For even better aerodynamic values and fine-tuned to the BMW 1 Series. Comprising air ducts, splitter and attachments for the front bumper, rear diffuser as well as blades for the side skirts.

Black Line rear lights

A precise fit and perfectly adapted to the electrical system. For vehicles with halogen headlights, the tail lights are replaced with LEDs.

Rear fins

Combines with the roof spoiler to create a powerfully expressive look. Only in conjunction with the roof spoiler.

Silencer system

For an impressively sporty sound – inside and outside the vehicle. In weatherproof stainless steel. Depending on the vehicle's equipment, tailpipe trim may be necessary.

Chrome tailpipe trim

Accentuate the individual character of your BMW 1 Series. Thermally decoupled and featuring an engraved BMW M logo. Only in conjunction with BMW M Performance silencer system.

Alcantara steering wheel II with carbon trim

The Sport steering wheel is clad in Alcantara for exceptional grip, while open-pore carbon trim adds an extra layer of sophistication. Silver-grey cross-stitching, applied by hand, along with a central marker in red leather create even more individual motorsport feel.

Carbon interior trim with Alcantara

A sophisticated combination of open-pore carbon and Alcantara guarantees exclusive motorsport quality in the cockpit. The carbon fibre structure can be felt immediately. With embroidered BMW M Performance lettering.

19" Double-spoke style 405 M

Forged light alloy wheels in Bicolour Orbit Grey, burnished on the visible sides and featuring the BMW M logo.

BMW 2 SERIES COUPÉ AND CONVERTIBLE. DISTILLED SPORTING SPIRIT.

- 1 Centre console gear lever trim in Alcantara and carbon, carbon gear lever trim
- 2 Alcantara steering wheel II with carbon trim and race display
- 3 LED doorsill finishers
- 4 Accent stripes, 19" Double-spoke style 405 M, silencer system, Aerodynamics package, carbon tailpipe trim
- 5 Black front grille, carbon wing mirror caps, Aerodynamics package

More parts descriptions can be found on pages 8/9.

19" Double-spoke style 405 M

Forged light alloy wheels in Bicolour Orbit Grey, burnished on the visible sides and featuring the BMW M logo.

Silencer system

For an impressively sporty sound – inside and outside the vehicle. In weatherproof stainless steel. Depending on the vehicle's equipment, tailpipe trim may be necessary.

Carbon tailpipe trim

Accentuate the individual character of your BMW 2 Series. Thermally decoupled and featuring an engraved BMW M logo. Only available in conjunction with the BMW M Performance silencer system.

Aerodynamics package

For even better aerodynamic values and fine-tuned to your BMW 2 Series. Comprising air ducts, splitter and attachments for the front bumper, rear diffuser as well as blades for the side skirts.

Alcantara steering wheel II with carbon trim and race display

With an integrated function display in the upper part of the rim featuring the latest OLED technology and two-colour LED displays. Buttons integrated into the thumb rest area can be used to activate Race, Sport or EfficientDynamics mode.

Centre console gear lever trim in Alcantara and carbon

With a satisfyingly tactile, high-tech, open-pore carbon structure. The high-quality Alcantara, meanwhile, has a particularly pleasant feel.

LED doorsill finishers

The dynamic design of the LED doorsill finishers with their stainless steel look makes getting into the car an experience in itself. With cable-free operation thanks to an integrated battery and magnetic switch.

Carbon gear lever trim

Featuring the four-colour BMW M logo, making the motorsport connection clear to see. The carbon has an open-pore finish and a silky matt effect, so the high tech is both visual and tactile.

Accent stripes in black/silver or black/red

Positioned immediately beneath the swage line to underscore the sporting elegance of the vehicle.

- 1 Alcantara steering wheel II with carbon trim, carbon interior trim with Alcantara
- 2 Limited slip differential
- 3 Carbon wing mirror caps, black front grille, 20" Double-spoke style 405 M, Aerodynamics package
- 4 20" Double-spoke style 405 M, Aerodynamics package, silencer system, chrome tailpipe trim

More parts descriptions can be found on pages 8/9.

2

BMW 3 SERIES.

UNPARALLELED DYNAMIC POTENTIAL.

4

Aerodynamics package

For even better aerodynamic values and fine-tuned to the BMW 3 Series. Comprising air ducts, splitter and attachments for the front bumper, rear diffuser as well as blades for the side skirts. Only available in conjunction with the BMW M Aerodynamics package.

20" Double-spoke style 405 M

Forged light alloy wheels in Bicolour Orbit Grey, burnished on the visible sides and featuring the four-colour BMW M logo. Also available as 18" matt black complete winter wheels.

Silencer system

For an impressively sporty sound – inside and outside the vehicle. In weatherproof stainless steel. Depending on the vehicle's equipment, tailpipe trim may be necessary.

Chrome or carbon tailpipe trim

Accentuate the individual character of your BMW 3 Series. Thermally decoupled and with an engraved BMW M logo. Only available in conjunction with the BMW M Performance silencer system.

Alcantara steering wheel II with carbon trim

The Sport steering wheel is clad in Alcantara for exceptional grip, while open-pore carbon trim adds an extra layer of sophistication. Silver-grey cross-stitching, applied by hand, along with a central marker in red leather create even more individual motorsport feel.

Carbon interior trim with Alcantara

A sophisticated combination of open-pore carbon and Alcantara guarantees exclusive motorsport quality in the cockpit. The carbon fibre structure can be felt immediately. With embroidered BMW M Performance lettering.

Mechanical limited slip differential

In the final drive for better wheel grip and more torque, minimising slippage at the rear axle. The result is optimal traction, more stable cornering and improved dynamic driving characteristics.

BMW 4 SERIES COUPÉ AND CONVERTIBLE.

AESTHETICS WITH EXTRA POWER.

Silencer system

For an impressively sporty sound – inside and outside the vehicle. In weatherproof stainless steel. Depending on the vehicle's equipment, tailpipe trim may be necessary.

Chrome or carbon tailpipe trim

Emphasise the individual character of your BMW 4 Series. Thermally decoupled and with an engraved BMW M logo. Only available in conjunction with BMW M Performance silencer system.

18" brake system

With inner-vented, lightweight sport brake discs and calipers in BMW M Performance Red, Yellow or Orange. Also with BMW M logo.

Black side skirt transfers

Perfectly complementing the vehicle design and underscoring its individual, athletic profile. With BMW M Performance lettering.

20" Double-spoke style 624 M

Forged and milled light alloy wheels in Bicolour matt Black and featuring the four-colour BMW M logo.

Aerodynamics package

For even better aerodynamic values and fine-tuned to the BMW 4 Series. Comprising air ducts, splitter and attachments for the front bumper, rear diffuser as well as blades for the side skirts. Only available in conjunction with the BMW M Aerodynamics package.

Accent stripes in black/silver or black/red

Positioned immediately beneath the swage line to underscore the sporting elegance of the vehicle.

Alcantara steering wheel II with carbon trim and race display

With an integrated function display in the upper part of the rim featuring the latest OLED technology and two-colour LED displays. Buttons integrated into the thumb rest area can be used to activate Race, Sport or EfficientDynamics mode.

- 1 Chrome tailpipe trim, silencer system
- 2 Alcantara steering wheel II with carbon trim and race display
- 3 Chrome tailpipe trim, silencer system, 18" brake system, side skirt transfers, 20" Double-spoke style 624 M, Aerodynamics package, accent stripes
- 4 Accent stripes, black front grille, carbon wing mirror caps

More parts descriptions can be found on pages 8/9.

BMW 4 SERIES GRAN COUPÉ.

A STRIKINGLY SPORTY COUPÉ – WITH FOUR DOORS.

Active Sound exhaust system

A high-quality sport system now, for the first time, also available for diesel vehicles. Individual control: Eco Pro and Comfort deliver deep and rich sound for everyday driving, and Sport and Sport+ ensure full-blooded sound development and maximum intensity.

Chrome tailpipe trim

Accentuate the individual character of your BMW 4 Series. Thermally decoupled and with an engraved BMW M logo. Only in conjunction with the BMW M Performance silencer system.

Carbon rear spoiler

Meticulously hand-crafted in 100% carbon, weight-optimised and delivering exceptional stability.

- 1 Active Sound exhaust system, chrome tailpipe trim
- 2 Carbon rear spoiler, Active Sound exhaust system, chrome tailpipe trim, 20" light alloy wheels Styling 624 M, polished, carbon wing mirror caps, accent stripes in black/silver, side skirts, side skirt transfers

More parts descriptions can be found on pages 8/9.

Black side skirt transfers

Perfectly complementing the vehicle design and underscoring its individual, athletic profile. With BMW M Performance lettering.

Silencer system

For an impressively sporty sound – inside and outside the vehicle. In weatherproof stainless steel. Depending on the vehicle's equipment, tailpipe trim may be necessary.

20" V-spoke 464 M

Light alloy wheels in Bicolour Ferric Grey and burnished on the visible sides. Also in Liquid Black.

Front attachment

To further highlight the vehicle's sporty design. In 100% hand-crafted carbon. Only available with the BMW M Sport package or the BMW M Aerodynamics package as well as the carbon rear spoiler.

Carbon rear spoiler

Meticulously hand-crafted in 100% carbon, weight-optimised and delivering exceptional stability.

Rear diffuser

With an elegantly dynamic design that blends seamlessly with the vehicle. Specially developed for the BMW 5 Series.

Power Kit

A considerable performance boost from software and hardware components. Maximum torque is dependent on selected gear. Available for BMW 520d, 530d and 535i.

High-gloss carbon interior trim

For an exclusive motorsport feel in the cockpit. The carbon fibre structure can be felt immediately. With embroidered BMW M Performance lettering.

BMW 5 SERIES.

THE FASTEST ROUTE TO TOP FORM.

- 1 Black front grille, side skirt transfers, front attachment, carbon wing mirror caps
- 2 Carbon interior trim
- 3 Silencer system, carbon rear spoiler, rear diffuser
- 4 20" V-spoke style 464 M, Liquid Black
- 5 20" V-Spoke style 464 M, Bicolour Ferric Grey
- 6 Power Kit

More parts descriptions can be found on pages 8/9.

BMW 6 SERIES.

NATURAL ELEGANCE, DRAMATIC PERFORMANCE.

20" V-spoke 464 M

Light alloy wheels in Bicolour Ferric Grey and burnished on the visible sides. Also in Liquid Black.

Alcantara steering wheel II with carbon trim

Featuring silver-grey cross-stitching applied by hand and with the emphasis on sport thanks to a centring strip in red leather. For vehicles with BMW M Sport package or BMW M Sport steering wheel.

Carbon gear lever trim for Sport automatic

A sophisticated and individual touch of motorsport in the cockpit. With BMW M logo.

Silencer system

For an impressively sporty sound – inside and outside the vehicle. In weatherproof stainless steel. Depending on the vehicle's equipment, tailpipe trim may be necessary.

- 1 Black front grille, carbon wing mirror caps, V-Spoke style 464 M, Bicolour Ferric Grey
- 2 Alcantara steering wheel II with carbon trim
- 3 Carbon gear lever trim for Sport automatic
- 4 20" V-Spoke style 464 M, Liquid Black
- 5 Silencer system

More parts descriptions can be found on pages 8/9.

21" Double-spoke style 650 M

Forged light alloy wheels, in Bicolour gloss Black, burnished on the visible sides and featuring the BMW M logo.

Black side skirt transfers

Perfectly complementing the vehicle design and underscoring its individual, athletic profile. With BMW M Performance lettering.

Rear spoiler

This premium-quality PUR RIM spoiler emphasises the dynamic presence of the vehicle. Optimised aerodynamics also reduce lift and lead to even more harmonious steering.

- 1 Black front grille, carbon wing mirror caps
- 2 Rear spoiler
- 3 21" Double-spoke style 650 M, side skirt transfers

More parts descriptions can be found on pages 8/9.

BMW 7 SERIES.

LEADING-EDGE LUXURY, DEFINITIVE DYNAMICS.

- 1 Side skirt transfers, carbon wing mirror caps, black front grille
- 2 LED doorsill finishers
- 3 Side skirt transfers

More parts descriptions can be found on pages 8/9.

Black side skirt transfers

Perfectly complementing the vehicle design and underscoring its individual, athletic profile. With BMW M Performance lettering.

LED doorsill finishers

The dynamic design of the LED doorsill finishers with their stainless steel look makes getting into the car an experience in itself. With cable-free operation thanks to an integrated battery and magnetic switch.

**BMW X1.
SPORTING ACTION.**

**BMW X3.
POWER WITHOUT LIMITS.**

Alcantara steering wheel with carbon trim

Sporty design, superb grip: this steering wheel is fully clad in high-quality Alcantara for perfect hold and satisfying feel – in hot or cold temperatures. An individual high point: open-pore carbon trim with BMW M Performance lettering.

Carbon interior trim

For an exclusive motorsport feel in the cockpit. The carbon fibre structure can be felt immediately. With embroidered BMW M Performance lettering.

21" Double-spoke style 310 M

Weight-optimised light alloy wheels in Bicolour Orbit Grey, burnished on the visible sides and featuring rolled rim bases and the BMW M logo.

21" Double-spoke style 599 M

Light alloy wheels in Bicolour matt Black, burnished on the visible sides and featuring rolled rim bases and the BMW M logo.

- 1 Black front grille, carbon wing mirror caps, 21" Double-spoke style 310 M
- 2 21" Double-spoke style 599 M
- 3 21" Double-spoke style 310 M
- 4 Alcantara steering wheel with carbon trim, carbon interior trim

More parts descriptions can be found on pages 8/9.

BMW X4.

PERFECTLY AMPLIFIED ATHLETICISM.

- 1 Carbon rear spoiler, silencer system, accent stripes, 21" Double-spoke style 599 M
- 2 21" Double-spoke style 310 M
- 3 Alcantara steering wheel with carbon trim, carbon interior trim

More parts descriptions can be found on pages 8/9.

Carbon rear spoiler

Meticulously hand-crafted in 100% carbon, weight-optimised and delivering exceptional stability.

Silencer system

For an impressively sporty sound – inside and outside the vehicle. In weatherproof stainless steel. Depending on the vehicle's equipment, tailpipe trim may be necessary.

Black/silver accent stripes

Positioned immediately beneath the swage line to accentuate the sporty elegance of the vehicle's design.

21" Double-spoke style 599 M

Light alloy wheels in Bicolour matt Black, burnished on the visible sides and featuring rolled rim bases and the BMW M logo.

21" Double-spoke style 310 M

Weight-optimised light alloy wheels in Bicolour Orbit Grey, burnished on the visible sides and featuring rolled rim bases and the BMW M logo.

Alcantara steering wheel with carbon trim

Sporty design, superb grip: this steering wheel is fully clad in high-quality Alcantara for perfect hold and satisfying feel – in hot or cold temperatures. An individual high point: open-pore carbon trim with BMW M Performance lettering.

Carbon interior trim

A sophisticated combination of lacquered carbon and chrome, with M Performance lettering.

Front attachment

Meticulously hand-crafted in 100% carbon, this gives the vehicle an even more sporty look. The BMW M Sport package or the BMW M Aerodynamics package as well as the carbon rear spoiler on the BMW X6 and the roof spoiler on the BMW X5 are required for fitting.

Roof spoiler

In high-gloss black, this further enhances the eye-catching looks of the vehicle. Its dynamic design makes a resolutely sporty statement at the rear.

Alcantara steering wheel with carbon trim

Sporty design, superb grip: this steering wheel is fully clad in high-quality Alcantara for perfect hold and satisfying feel – in hot or cold temperatures. An individual high point: open-pore carbon trim with BMW M Performance lettering.

Black side skirt transfers

Perfectly complementing the vehicle design and underscoring its individual, athletic profile. With BMW M Performance lettering.

21" Double-spoke style 310 M

Weight-optimised light alloy wheels in Bicolour Orbit Grey, burnished on the visible sides and featuring rolled rim bases and the BMW M logo.

21" Y-Spoke style 375

BMW M Performance light alloy wheels in Bicolour Ferric Grey, burnished on the visible sides and featuring BMW Performance lettering.

21" Double-spoke style 599 M

Light alloy wheels in Bicolour matt Black, burnished on the visible sides and featuring rolled rim bases and the BMW M logo.

Carbon rear spoiler

Meticulously hand-crafted in 100% carbon, weight-optimised and delivering exceptional stability.

Carbon rear diffuser

Meticulously crafted by hand, weight-optimised and offering the greatest possible stability. Only available in conjunction with the BMW M Sport package.

Rear flaps

For a considerable boost to the vehicle's overall impact. The striking wing profile, in particular, makes an individually sporty impression. Available in high-quality carbon (BMW X5) and high-gloss black (BMW X6).

Chrome tailpipe trim

Accentuate the individual character of your BMW X5 or BMW X6. Thermally decoupled, with engraved BMW M logo. Only available in conjunction with the BMW M Performance silencer system.

Key case

An impressive combination of carbon and Alcantara. The key is securely connected to the case by means of a hexagon socket screw in BMW M Blue. Timeless elegance, technical sophistication – and a small but convincing motorsport statement.

BMW X5 AND BMW X6. EXTRA POWER FOR EXCEPTIONAL ATHLETES.

- 1 Roof spoiler
- 2 Alcantara steering wheel with carbon trim
- 3 Black front grille, carbon wing mirror caps, front attachment,
- 4 21" Double-spoke style 310 M
- 5 21" Double-spoke style 599 M
- 6 Key case
- 7 Rear flaps, chrome tailpipe trim, carbon rear diffuser, carbon rear spoiler, side skirt transfers, 21" Double-spoke style 599 M

More parts descriptions can be found on pages 8/9.
