

# Merchant POS-fit Checklist

How to determine if your client is a good fit for Shopify POS

---

If your client checks the boxes below, they're a great fit for Shopify POS

## Merchant Profile

- Is the merchant operating a brick and mortar store in USA, Ireland, or UK?
- Is the merchant operating 1-5 brick and mortar locations?
- Is the merchant using Shopify Payments?
- Is the merchant selling clothing, jewelry, cosmetics, home decor, electronics, or other CPG products?

## Bonus Points

- Is the merchant using Shopify to sell online?
- Does the merchant offer an online store loyalty program?
- Is the merchant on a legacy POS system?
- Is the merchant creating an omni-channel strategy for their business?
- Does the merchant want to save money?

Shopify POS is included in all Shopify plans
