## L SERIES

A mobile powerhouse of a cooler, suitable for cooling large spaces, be it indoor or outdoor. Symphony Movicool air coolers are specially designed for high performance cooling. With a rugged, weather resistant body and easy portability, these coolers are suitable for industrial and commercial use such as outdoor events, workshops, restaurants, gyms, indoor stadiums and so on. Its unmatched performance comes with a promise of low power consumption which is about 10% of air conditioning.

# MOVICOOOL

WITH 3 SIDE COOLING PADS

L200i

L125

L65i-S

L SERIES

3-side honeycomb cooling pads for superior cooling

Robust weather resistant body for long life

Powerful air throw for faster cooling

## MOVICOOOL L200i

### Key Features\*

- Robust weather resistant body for long life
- 3-side High efficiency honeycomb cooling pads for superior cooling
- Powerful **25m** air throw for faster cooling

### Other Features\*

- Easily removable and cleanable cooling pads
- Powerful 3 speed fan
- Fully closable horizontal louvers
- Auto vertical swing
- Low power consumption - 215W only
- Three side dust filters
- Cool Flow Dispenser for enhanced cooling
- Float valve for auto water filling
- Lockable heavy duty wheels

### Introductory MRP

₹ 34,990/-

## MOVICOOOL L125

### Key Features\*

- Robust weather resistant body for long life
- 3-side High efficiency honeycomb cooling pads for superior cooling
- Powerful **25m** air throw for faster cooling

### Other Features\*

- Easily removable and cleanable cooling pads
- Powerful 3 speed fan
- Fully closable horizontal louvers
- Auto vertical swing
- Low power consumption - 215W only
- Three side dust filters
- Cool Flow Dispenser for enhanced cooling
- Float valve for auto water filling
- Lockable heavy duty wheels

### Introductory MRP

₹ 24,990/-

## MOVICOOL L65i-S

### Key Features\*

- Robust weather resistant body for long life
- 3-side High efficiency honeycomb cooling pads for superior cooling
- Powerful **25m** air throw for faster cooling

### Other Features\*

- Easily removable and cleanable cooling pads
- Powerful 3 speed fan
- Fully closable horizontal louvers
- Auto vertical swing
- Low power consumption - 215W only
- Three side dust filters
- Cool Flow Dispenser for enhanced cooling
- Float valve for auto water filling
- Lockable heavy duty wheels

Introductory MRP

₹ 21,990/-

THE COOLEST MILESTONES

We've been making the world 'cooler' for the past 80 years. Our constant pursuit towards better cooling has resulted in the birth of technologically advanced air coolers.

OUR OFFICES

1939

The air cooler was invented by Goettl brothers in USA. International Metal Products Company (now IMPCO, a Symphony Group Company) was founded.

1955

International Metal Products Company de Mexico, S.A. de C.V. was established.

1988

Symphony pioneered branded air coolers in India.

1993

Launched Kaizen - cooler that looks like an AC.

1994

Symphony went public.

2001

Keruilai (now a Symphony Group Company) was founded in China.

2009

Symphony acquired IMPCO.

2010

Introduced Central Air Cooling Solutions + India's largest commercial air cooling project.

Introduced Intelligent Cooler range + Introduced Storm - world's largest tower cooler + Government recognition for R&D center.

2012

Acquisition of Keruilai +. Market value of Symphony crossed 11,000 crores

2015

Introduced Cloud - world's first wall mounted air cooler + Introduced i-Pure range + Awarded India's most trusted air cooler brand.

2016

Introduced Touch range-world's first air coolers with touchscreen and voice assist.

2017

Symphony's acquisition of Climate Technologies-Australia & Bonaire-USA

2018

Symphony introduces its commercial range of air coolers, manufactured in India.

2019
