CONDITION IMPROVER MIX

Topline & Conditioning mix (Weight gain)

The ultimate calorie conditioning diet for easy and controlled weight gain. High in oil for stunning coat with a small inclusion of cereal to support quick release of energy for horses and ponies with laid back temperament. Also contains a full dose of EQUI-JEWEL® plus live yeast to support digestive health.

CONDITION IMPROVER MIX is suitable for:

- Show horses & ponies requiring condition
- Show horses & ponies that require instant energy & sparkle
- Horses & ponies needing stunning coat condition
- Show horses and ponies that have a laid back temperament

Features & Benefits:

- The ultimate conditioning diet for easy and controlled weight gain.
- Includes micronised and extruded barley to supply quick release energy.
- Stunning coat condition as a result of high oil levels from the inclusion of EQUI-JEWEL®.
- Alfalfa based with micronised soya beans and peas providing quality protein for muscle development.
- Live yeast and “Super-Fibre” inclusion supports gut health and aids gut mobility.
- Fully fortified with a full spectrum of vitamins and minerals.
