

**BM962402WLCWB**  
**ASSEMBLY INSTRUCTIONS**

**Custom 2 SHELF MULTI-LEVEL**

**Components Required for Assembly**

**Panels:**

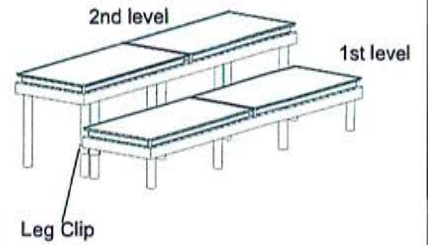

(2) 2'x8'  
1st and 2nd Level Panels

**Legs:**  
(8) 12"  
(8) 24"

**Leg clips:**  
(2)  
**WaterBeds:**  
(4)

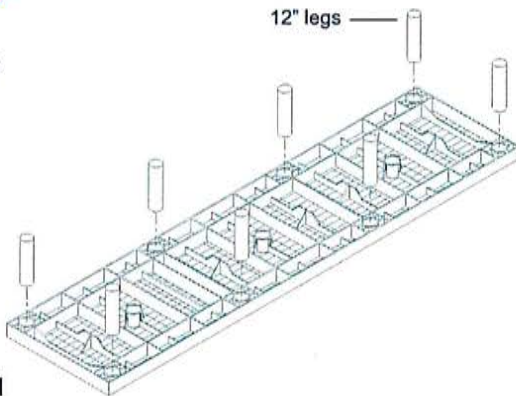

**Accessories:**  
Oil and Sponge

**Fully Assembled**

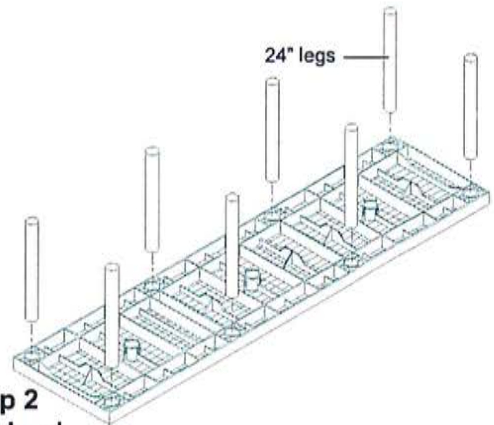

**Check All Components**

**All sockets must be oiled before assembly**

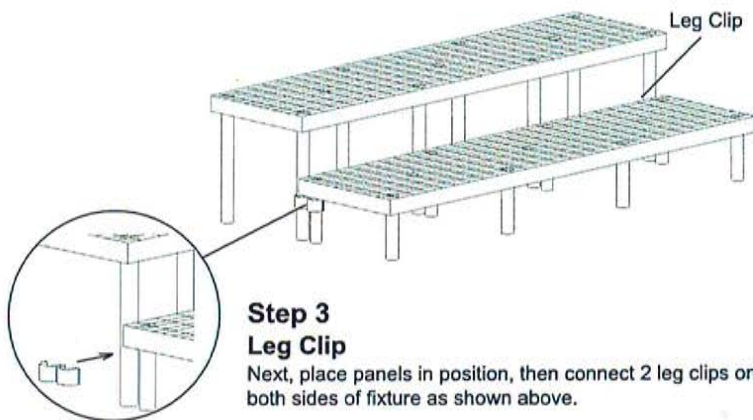

**Step 1**  
**1st level**

Invert (1) 2'x8' Panel (open hole sockets) and insert (8) 12" Legs in sockets as shown. Push legs all the way through to floor. Next, return panel to the upright position.

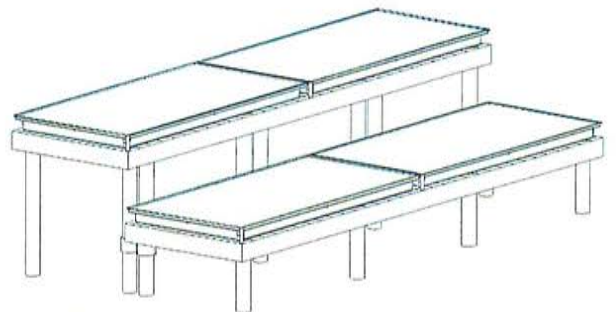

**Step 2**  
**2nd level**

Invert (1) 2'x8' Panel and insert (8) 24" Legs in sockets as shown. Next, return panel to the upright position.

**Step 3**  
**Leg Clip**

Next, place panels in position, then connect 2 leg clips on both sides of fixture as shown above.

**Step 3**  
**WaterBed**

Next, place (4) WaterBeds, (2) on each level as shown above.
