

Polypropylene Shoe Covers

- Protect the homeowner's floors and carpets with Brinmar's unique shoe covers. Show your customers that you care and they'll appreciate you more.
- Improve your customer service image.
- Increase your sales through referrals and repeat business.
- Use them when quoting the homeowner. You don't get a second chance to make a first impression.
- Differentiate yourself from the competition without using price.
- The more professional you are, the more business you get!

Brinmar Shoe Covers are made of spunbonded polypropylene - a lightweight, breathable fabric that's comfortable to wear. This splash-proof cloth fabric is durable and designed for extended use. Our shoe covers are disposable, but they can be worn many times without deteriorating. Brinmar Shoe Covers have a unique rubber tread on the sole to provide more slip resistance as compared to other brands. One-size-fits-all up to size 15. Dark blue color with elastic top.
