

# MY ALLERGY CARD

A Visual Allergy Alert to Communicate Your Allergies On The Go!

Make others **aware of your allergies** directly from your **smartphone!**

Allow others to scan your My Allergy Card to open a **Contactless** version on their phone! *No need to hand over your phone!*

**Share your allergy information with anyone!**

*Family, friends, partners, school, uni, work, etc*

**Use the My Allergy Card where you need it!**

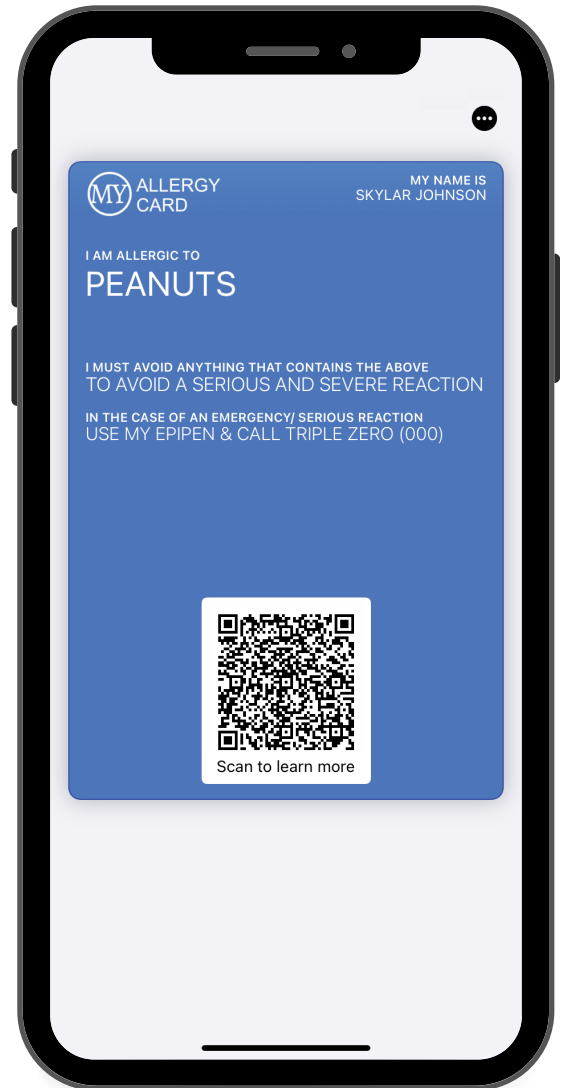

*Eating out, travelling, meeting new people, etc*

**Use it when you need it so you can be safer & reduce risks**

Example of the My Allergy Card

The My Allergy Card comes in **Purple, Green, Red & Blue**

**LEARN MORE & REGISTER**

*The My Allergy Card is free for Australians living with allergies. Allergy Life Australia wants you to be safer and have the most modern means to communicate your allergies. If you know someone with allergies, please share the My Allergy Card with anyone that needs it! Together we can all live a safer and happier allergy life.*
