BENEFITS & FEATURES

1 LARGER SIZE

The new light measures at 7.25" x 4.25" vs. 6" x 4." This gives you added visibility and more 360 degree coverage when you need it most.

2 UPGRADED MAGNETS

Strong enough to hold during any vehicle movement or vibration, the FL263-MAG90 version comes with built-in 2x 45lb strong pull magnets.

3 ENHANCED WATER RESISTANCE

The upgraded lens gasket and O-rings make the light even more water resistant, especially in tough conditions.
