WARNING
TRIANGLES

EASY SETUP
NO TOOLS
REQUIRED

FLUORESCENT TRIANGLES CAN BE USED DAY OR NIGHT

Instantly tell motorists to be alert for a roadside emergency. This product meets U.S. Federal Motor Vehicle Safety Standard No. 125 for warning devices.

- A heavy base weighted with recycled steel shot anchors the triangles in strong winds
- Each triangle includes built-in air flow louvers and a wire brace that ensures compliance of 40mph wind test
- Triangle base is equipped with non-slip foam pads to keep the triangles stationary on slippery surfaces
- No batteries required for use and no tools required for set-up
- Triangles fold flat for compact storage in the included case
