EASILY MARK YOUR OVERHANG LOAD in LOW LIGHT CONDITIONS

NEW RUGGED HARD CASE GREAT FOR STORAGE!

Transporting in the dark can make your long load almost invisible to approaching traffic. Various Federal, State, and County laws require long overhang loads to be illuminated in low light conditions.

The Foxfire Logger Lite is a convenient solution to keep your vehicle safe and visible on the roadway. Be Safe, and Be Seen. Mark your load with a powerful Foxfire Logger Lite today!

QUICK INSTALLATION! NO TOOLS REQUIRED

Logger Lite Tool simply twists by hand into any wood cargo.

Available in Red or Amber
Requires 4 AA Alkaline Batteries – Not Included
