

RAVEN'S CREEK PORK

RARE BREED FREE-RANGE BERKSHIRE PORK

Raven's Creek Farm is located in Moriac (22km West from Geelong) and rear rare breed free-range Berkshire pigs.

Berkshire pigs are an English heritage breed, also known as Kurobuta pork. This breed is internationally renowned as the best quality pork in the world due to the excellent meat-to-fat ratio, marbling and slow growth which results in superior texture, flavour and tenderness. **It's the wagyu of the pork world.**

The Raven's Creek Pork difference

- Farmed without cages or fixed sheds, living as nature intended.
- 100% naturally pasture-raised, with no chemicals, for a richer flavour
- 90 acre's of bio-diverse environmentally ethical, working farmland.
- Regenerative farming techniques in order to restore the land.

Only the very best cuts are selected to go into our dry-ageing room and all of our dry aged pork is Raven's Creek Berkshire Pork.
