Strongsville, OH 44149

Dear Mr. Frey,

We have carefully reviewed the recent test report of your Defender Room Air Cleaner Filters by IBR, the independent laboratory. The products showed a solid high filtration efficiency. The products exceeded an average efficiency rating of 99.99% down to the 0.1 micron meter particle size.

Please feel free to contact me if you have any questions or comments.

Sincerely yours,

Dr. Christine Q. Sun, President  
Filtration Technologies International, Inc.
