

FRUIT TREE AVAILABILITY 2024/25

About Us

Located in the beautiful and fertile flood plains of the Similkameen River, we have been growing apple trees for the market since 2015. As one of the largest fruit tree nurseries in the country, we supply commercial orchardists, cideries, garden centers, and backyard gardeners with over 150 varieties of apples, peaches, plums, apricots, nectarines, and cherries on a large variety of select rootstocks. We currently grow about 75,000 trees annually. Check out our availability lists for both the upcoming season (Spring, 2024) and the following season (Spring, 2025), including our current selection of potted trees. All availability and pricing are listed below.

Thanks for your consideration!

Our Product

- Our trees are grown to the highest standards, with ongoing support for our customers.
- All of our trees are grown for 2 years and are pruned to 6ft to fit in transport vehicles, with a caliper of ½” or higher.
- All products are *Certified Organic*, *NOOA Grower # 02-543*
- We guarantee all our stock.

Ordering Stone-Fruit Trees (Peach/Nectarine/Apricot/Plum)

Currently we are sold out for the upcoming 2024 and 2025 seasons. We are taking pre-orders for Spring 2026 and Spring 2027. We have not started grafting this stock yet so can book any varieties you'd like, provided we can source the budding material.

Please inquire for list of varieties available or to place your pre-booking.

Ordering Cherry Trees

We have some stock available for Spring 2024 (please see the listing below).

We are also taking pre-orders for Spring 2026 and Spring 2027. We have not started grafting this stock yet so can book any varieties you'd like, provided we can source the budding material.

Please inquire for list of varieties available or to place your pre-booking.

Ordering Apple Trees

Our Bareroot apple trees are 2 year-old, feathered trees.

We have some stock available for Spring 2024 and Spring 2025 (please see the listing below). We are also taking pre-bookings for Spring 2026.

Browse our available stock and choose from our large selection of Commercial, Heirloom, or Cider apple varieties on a great selection of rootstocks.

Ordering Potted Trees

Our potted trees are 3 year-old feathered trees established in 3 gal pots. Our trees are carefully maintained and pruned, with descriptive tags, ready-to-plant for the backyard gardener. All stock comes in 4 sizes (dwarf, semi-dwarf, semi-standard and standard).

If you are a Garden Center or Landscaper, please see Availability and bulk rates below.

All Deliveries to garden centers and landscaping companies happen in March.

Plan Your Future Orchard

We hope that you found what you were looking for in our current availability lists, however if you are planning a large commercial planting or would like something that may already be sold out in the coming years, you can custom order for your next planting. You can custom order almost any tree variety for delivery Spring of 2026.

When planning your orchard, we can help with custom orders:

- ***Varietals***, contact us with any questions regarding our extensive catalogue of stone fruit, cherry, and apple varieties.
- ***Rootstock*** that compliments both your growing conditions and your desired size/vigour requirements.
- ***Location***, climate and zone hardy varieties that work best in your geography.
- ***Planting & Spacing*** and quantity of trees required for your area.

Pre-Bookings

Currently pre-bookings for spring 2026 are open for all rootstocks/varietals. The only way to confirm stone fruit currently is to prebook them for 2026, availability is going quickly! Give us a call to pre-book an order for Spring 2026

Payment

We accept e-transfers, cash, cheque, or wire transfer. We require a 35% deposit, with the remainder due on pickup/delivery. Deposits are non-refundable due to constraints with dealing with these orders.

Our Guarantee

We guarantee everything we grow. If our trees have not leafed out by August 1st of the year they were shipped to you, and this was not deemed to be due to horticultural negligence on part of the grower, we will replace your trees at the soonest possible time free of charge with the same variety.

Delivery/Pickup Options

All trees are ready for pick up or delivery between April 1-May 5th. We can arrange delivery to most regions in the provinces of BC, including the Lower Mainland/Fraser Valley, Okanagan, Kootenays, Vancouver Island and the North regions. We are also shipping to Alberta, Ontario, and Quebec (exclusive to large bulk orders). Please contact us for a quote on shipping!

For Pickup we ask that all customers please come anytime between 9:30am and 4:30pm Monday to Friday to the address listed below. If you require pickup at other time, please contact us to make alternate arrangements.

Pickup Location

***669 Kurtz Rd,
Cawston, BC
V0X1C2***
