**2018 MONTANA
RETAILER OF THE YEAR**

Montana truly is the "Treasure State"—rich in so many ways. Lately we've been appreciating how many fine producers of Montana-made food and gift items we meet and work with daily. Offering their delicious and unique items in our store and online is one of the reasons why the Chalet Market of Belgrade was honored with the 2018 Retailer of the Year Award at Montana Department of Commerce Made in Montana Tradeshow.

Our success reflects the fact that customers love and value what Montanans produce. And what's not to love? Savory bison meat, artisan cheeses, delicious huckleberry treats and so much more!

We hope you and your friends and family enjoy Montana's abundant goodness this holiday season and all year long!

Mark & Gwen Croghan
