FINISH CARE & MAINTENANCE

never use any harsh alkali, acid based detergents or cleaners such as soft scrub®, scrubbing bubbles® or comet® to clean. do not use brillo® and scotch brite® pads. these will all harm the finish. to clean, use only a damp soft cloth and wipe using a soft cloth. standard windex® can also be used sparingly. it is not necessary to wipe hard to remove spots. to maintain the finish, wipe with a soft dry cloth after use. an occasional coat of pure carnauba wax without cleaners will help protect the finish.
