

SOLIHULL'S

VIN DECODER

An eight digit chassis numbering system with suffix letters:
 The first, second, and third digits indicate the model and specification.
 355, 356, 358 = Range Rover
 The remaining five digits starting with 00001 indicate the serial number.
1980 - Date (Worldwide, except the United States)
 All these years use the conventional Vehicle Identification Number (VIN)
