WARNING: DO NOT EXCEED 9V DC.

Our four-year manufacturer warranty begins at the purchase date marked inside each enclosure. After four years the warranty has expired but you may still contact Thimble Wasp Effects for repair services and/or advice.

To begin a warranty repair order contact info@thimblewasp.com. Each pedal is subject to a basic wear and tear inspection by Thimble Wasp Effects to determine if the pedal circuitry has been altered, if the purchase date has been altered, or if the pedal has been abused beyond reasonable care. You should reference our "Reasonable Care of Your Pedals" blogpost for more information. The honoring of your warranty is subject to the opinion of the Thimble Wasp Effects warranty inspector.
