Assembly Instructions CF-1000-11

RHINO
greenhouses *direct*

English

WARNING!

Serious or fatal crushing injuries can occur from damaging a glass panel. To prevent this, ensure gloves are worn when handling glass panels.

Always assemble the product on a flat floor, ideally covered with a rug or cardboard to prevent any damage. The orientation of the images reflects the orientation you should perform the steps in.

If you struggle with the assembly steps of the product, utilise the QR code images to take you to a video of the assembly step. Greenhouses direct service department also operates a telephone helpline service on 0344 493 1929, alternatively you can also email service@greenhousesdirect.co.uk

Deutsch

ACHTUNG!

Durch die Beschädigung einer Glasscheibe kann es zu schweren oder tödlichen Quetschverletzungen kommen. Um dies zu verhindern, stellen Sie sicher, dass Sie beim Umgang mit Glasscheiben Handschuhe tragen.

Montieren Sie das Produkt immer auf einem ebenen Boden, der idealerweise mit einem Teppich oder Karton abgedeckt ist, um Schäden zu vermeiden. Die Ausrichtung der Bilder spiegelt die Ausrichtung wider, in der Sie die Schritte ausführen sollten

Wenn Sie Schwierigkeiten mit den Montageschritten des Produkts haben, nutzen Sie die QR-Code-Bilder, um zu einem Video des Montageschritts zu gelangen. Die direkte Serviceabteilung von Greenhouses betreibt außerdem einen telefonischen Helpline-Service unter 0344 493 1929

Francais

ATTENTION!

Des blessures graves, voire mortelles, par écrasement peuvent survenir en cas d'endommagement d'une vitre. Pour éviter cela, assurez-vous de porter des gants lors de la manipulation des panneaux de verre.

Assemblez toujours le produit sur un sol plat, idéalement recouvert d'un tapis ou d'un carton pour éviter tout dommage. L'orientation des images reflète l'orientation dans laquelle vous devez effectuer les étapes dans

Si vous avez des difficultés avec les étapes d'assemblage du produit, utilisez les images du code QR pour accéder à une vidéo de l'étape d'assemblage. Le service direct de Greenhouses gère également un service d'assistance téléphonique 0344 493 1929

WAARSCHUWING!

Door beschadiging van een glaspaneel kunnen ernstige of dodelijke verwondingen optreden. Om dit te voorkomen, moet u ervoor zorgen dat handschoenen worden gedragen bij het hanteren van glaspanelen.

Monteer het product altijd op een vlakke vloer, bij voorkeur bedekt met een kleed of karton om schade te voorkomen. De richting van de afbeeldingen weerspiegelt de richting waarin u de stappen moet uitvoeren

Als u moeite heeft met de montageschappen van het product, kunt u de QR-codeafbeeldingen gebruiken om naar een video van de montageschappen te gaan. De directe serviceafdeling van Greenhouses heeft ook een telefonische hulplijn op 0344 493 1929
