work

Yes, cargos can be worn to the office. Just pair them with a simple blouse and structured blazer. Finish off the look with chunky earrings and bold cowboy-style boots for a hit of playfulness.

The loose-fitting cut offers ultimate comfort, and ultra-oversize pockets can hold all the things you usually keep in your purse.

weekend

A laid-back yet chic style is achieved by pairing cargos with a cozy cardigan and layered accessories. The unique embroidery on this sweater is sure to garner some compliments wherever your weekend takes you.
