Toe-baring season is almost upon us, so it's time for a [pedicure](#) and a footwear refresh. (Because let's face it: Last year's worn-out flip-flops just won't cut it.) Summer is all about comfort and easy-breezy style, so we've rounded up sandals that will take you from your couch to backyard gatherings and beyond. From sporty flatforms to chic block heels that offer plenty of support, these sandals were made for walking.
