TEDDY BEAR

If you love snuggling up under a big blanket with a cup of tea, a comfy teddy jacket is the topper for you. The soft, fuzzy material feels like a warm hug, with the added benefit of being totally on-trend.

TONAL TRIM

For fabulous texture and warmth, choose outerwear with a sherpa lining. The fluffy, fleecy material is so cozy you won't want to take it off! We love it paired with shades of camel, a neutral colour that's super easy to mix and match.
