

15 Winter Boots That Will *Actually* Keep Your Feet Warm

And they're stylish, too.

BY: MAROUCHKA FRANJULIEN · JAN 10TH, 2024

Just like our winter coats, which we wear for six months of the year (and that's hardly an exaggeration), snow boots follow us on our daily adventures as soon as the temperature plummets. While most of these shoes are comfortable, they often lack a certain stylishness. It's not easy to find chic shoes when they also have to stand up to our [Canadian winters](#). Fortunately, we can count on these cozy, fashionable winter boots to get the job done. Some of our favourite pairs include Moon Boot's iconic Icon booties, available at Simons, and a pair of trendy two-tone shoes by Canadian brand Pajar.

So, without further ado, here are our 15 favourite pairs to shop for before spring arrives.
