COMING SOON! - EXTREME NINJA TRUSS SYSTEMS

LAUNCHING IN 2020!

With more than 50 obstacles offered, YOU select the level of difficulty to make your NINJA Territory course a fun and challenging experience.

Each obstacle is positioned directly over a foam pad, so each competitor never has far to fall. Take your Ninja course to the next level with a ninja timing system. Gamification designed to engage participants to beat their time of completion or an opponent. Ninjas can navigate through the course competing with an opponent to see who the best warrior is!

CUSTOM PRINTED GRAPHICS

Our customers' brands and business goals guide the design of your custom graphics!

We help take your vision and your space and optimize it - to strengthen your brand and squeak every square inch of profitability -and fun- from your floor plan.

CUSTOM LIGHTING

Create drama with LED lighting, custom graphics and timing systems. Competitors and Ninjas of all skill levels enter the course spotlight and gear up to compete against the clock for the fastest course time.

CUSTOM FEATURES

With over 50 obstacles offered, select the level of difficulty to make your Ninja Territory Course. Creating a fun and challenging experience.
