FABRIK™

## ACTIVE CARPET AND FABRIC CLEANER

### PRISTINE IS THE NEW CLEAN

As strict cleaning standards have become the new normal, so have stain-free surroundings. Using FABRIK™ Active Carpet and Fabric Cleaner, keeps carpets and upholstered furnishings clean, fresh and odor free, especially in the most highly trafficked spaces, with the most challenging stains.

Using nature's technology, the penetrating probiotic formula in FABRIK works immediately to provide superior cleaning, stain removal, fiber conditioning, and long-lasting odor control—and continues to work between cleanings.

Readily biodegradable and non-toxic, FABRIK is people and pet friendly. It's effective against pet stains, urine odors, oily soils, and a broad spectrum of substrates. Apply as directed to pretreat, spot clean or use with machine assisted cleaning. Keep carpets, fabrics, and upholstery in pristine condition with FABRIK.

### BENEFITS OF NATURE'S TECHNOLOGY

Proprietary probiotic blend penetrates deep into carpet fibers for complete degradation of residual soils and continues to clean stains after application.

- ▶ Removes difficult stains such as: Pet stains, food and beverage, oily soils, FOG etc.
- ▶ Concentrated enzyme action is immediately effective on soiled carpets, fabrics, and other water-safe fibers
- ▶ Unique odor-encapsulating technology traps bad smells instantly
- ▶ Reduces bio-allergens, including pollen, dust mites, animal dander, and fungal spores
- ▶ Readily biodegradable components are VOC compliant, dye and fragrance-free, safe for users and the environment.
- ▶ Disposal introduces beneficial bacteria to breakdown organic matter, grease and other substances that cause drain blockage
