

PURTEQ®
FRESCH™

BOTANICAL DISINFECTANT

DISINFECT SAFELY WITH THYME ON YOUR SIDE

We can honestly say that thyme is on your side with FRESCH™ Botanical Disinfectant. Using nature's technology, the botanically derived active ingredient Thymol, a constituent of oil of thyme, kills 99% of bacteria and viruses. In fact, FRESCH utilizes specific dwell times, to wipe out a broad range of health-related contaminants and kills the COVID-19 virus, in just 60 seconds!

FRESCH effectively cleans, disinfects and deodorizes all hard, non-porous surfaces, in one step—without the harmful effects of quats, bleach or other chemical disinfectants. It won't irritate skin, eyes, or lungs. Ideal for professional strength cleaning where reducing cross contamination between treated surfaces is crucial, including healthcare industries, day care centers, schools, restaurants, gyms, locker rooms, and veterinary clinics.

BENEFITS OF NATURE'S TECHNOLOGY

Botanically derived and VOC compliant. Contains no harsh chemicals; non-corrosive; non-irritating; no toxic fumes; bleach-free, and ammonia-free. Highly biodegradable ingredients leave no harmful or irritating residues.

- ▶ One-step triple action cleans, disinfects, and deodorizes
- ▶ EPA-registered (34810-25-96548) disinfectant
- ▶ Virucidal, bactericidal, germicidal, fungicidal, and tuberculocidal efficacy
- ▶ Effective against antibiotic resistant organisms, including MRSA & MRSE
- ▶ No-rinse food contact sanitizer: NSF D2 Registered Proprietary Substances and Nonfood Compounds (No.163429)

PRODUCT INFORMATION

FRESCH is a powerful non-toxic cleaner and disinfectant with broad efficacy.

- ▶ RTU available in 32 oz., 1 Gallon, 5 Gallon, 55 Gallon, 275 Gallon
- ▶ Use as directed on product label
