

PURTEQ®

KLENZ™

MULTI-PURPOSE CLEANER

MULTI-PURPOSE POWER FOR MULTI-SURFACE CLEANING

KLENZ™ Multi-Purpose Cleaner is a highly versatile, professional grade, non-toxic cleaner/degreaser. Harnessing nature's technology, the colloidal cleaning chemistry of micelles in KLENZ safely eliminates dirt, grease and grime without harsh chemicals.

Our eco-friendly, concentrated formula gives you control over the power of KLENZ, adjusting the strength to meet the challenge. It can safely tackle a wide variety of multi-surface and heavy-duty cleaning or degreasing dilemmas. For instance, heavily used kitchen grease hoods or grimy automotive engines clean up easily, without fumes, caustic detergents or scouring.

KLENZ is also ready for spot cleaning, removing difficult stains like permanent marker, ink, red wine, and adhesives from fabrics and carpets. All concentrations are safe to use around people, pets and plants. Professional strength, practical and perfect for an infinite range of cleaning tasks – anywhere you need the power of multi-purpose cleaning.

BENEFITS OF NATURE'S TECHNOLOGY

Powerful micro-cleaning action causes long-chain hydrocarbon soils, including fats, oils, greases, proteins, and sugars, to repel from the surface so they can easily be rinsed away, without damaging or reacting with the cleaning surface.

- ▶ Safe on all surfaces compatible with water
- ▶ Use in facility kitchens, restaurants, lodgings, offices, meeting spaces, classrooms, bathrooms, machine rooms, garages, hardscaping, construction sites and more
- ▶ Does not contain caustic detergents and harmful petroleum solvents, and is VOC compliant
- ▶ KLENZ meets these requirements: USEPA, USDA Bio Preferred®, SCAQMD as a Clean Air Solvent, OSHA 29-CFR

PRODUCT INFORMATION

Multi-purpose, eco-friendly formula powered by millions of micelles.

- ▶ Concentrate available in 1 Gallon, 5 Gallon, 55 Gallon, 275 Gallon
- ▶ Yield: 1 Gallon Concentrate: 6 to 64 Gallons RTU, depending on use (example: heavy degreaser: 6 gallons; general cleaning: 64 gallons)
- ▶ Use as directed on product label
