Be Your Own Man

Written by Jessica Sanders | Illustrated by Robbie Cathro
 Paperback

- Jessica's first bestselling picture book, *Love Your Body*, with its message of body acceptance and self-love, won the Australian Book Industry Awards (ABIA) for Small Publisher's Children's Book of the Year in 2020
- *Be Your Own Man* seeks to dissolve the toxic parts of the traditional masculine identity for a new generation of boys
- Reframes masculinity for a new generation, expanding the idea of what it is to be a good man, and encouraging young boys to be themselves without apology
- Normalises 'softer' behaviours — such as sensitivity, creativity, asking for help and caring for others — as acceptable male behaviours
- Encourages young boys to be themselves without apology, knowing that being themselves now will make them the man they will become in the future
- Is themed with messages of personal freedom and self-love.

A really unique book that can be lifesaving for the many kids who don't fit the narrow old ideas of what maleness is. It will widen the perspective of children and parents alike. It also covers emotional intelligence so beautifully. Such a lot in just a few pages.

Steve Biddulph, AM

Bestselling author of *Raising Boys in the 21st Century*

Have you ever felt you should act a certain way or do certain things, just because you're a boy? This book encourages young boys to broaden their ideas about what it means to be a boy, supporting them to feel free and proud to be who they truly are.
