A janitor tries his best to keep this book clean and tidy!

ABOUT THE CREATORS

- S.J. Mahoney is a Filipino-Australian children’s author, who enjoys writing stories that are both funny and full of heart. She hopes that her first book, This Book is a Mess, has at least one of those things. When S.J. isn’t writing, reading or editing books, she enjoys drawing pictures, eating tasty food and travelling the world. She lives in sunny southeast Queensland with her husband and a neurotic (but well-loved) dog called Chico.
- Richard Watson studied illustration at Lincoln University School of Art and Design (UK) and began working as an illustrator soon after graduating for the Bright Agency.

This Book is A Mess

Written by S.J. Mahoney | Illustrated by Richard Watson
 Hardback

This is a story with nothing in it, thanks to its tiny caretaker, who appreciates a clean and tidy book. According to him, a clean and tidy book means there are no words and absolutely, positively NO PICTURES. So, all the pages of this book should be kept spotless. That is, unless somebody happens to turn the page a bit too quickly...

The Best You Can Be

Written by Cori Brooke | Illustrated by Sinead Hanley
 Paperback

- This book is filled with positive messages. Its key driving principle - the concept increasingly embraced by schoolteachers the world over - is that of a 'growth mindset'. This is a way of thinking that describes the belief that one's success depends less on in-born talents and much more on time, effort and energy. That is, "I may not be great at swimming yet, but if I practise I will improve".
- This bright, playful picture book encourages children to try their best and not to measure their success against the successes of others.
- Filled with a diverse cast of characters and relatable real life scenarios for children.
- This book recognises that we each have our own unique set of skills and talents, and not everyone is great at everything - and that's okay!
- Authored by CBCA-shortlisted Cori Brooke, the author of the popular *This Girl Can* and *This Boy Can* picture books. The hardback edition has sold almost 10,000 copies!
- Illustrated by the talented Sinead Hanley, illustrator of the bestselling *We Are All People* and well-known for her colourful, bright art that pops off the page.

*At times you may feel you can't do all of the things,
 You still can fly high because you have your own wings.
 You're right on your way when you know and believe
 That being your best is the best you can be.*

The Best You Can Be encourages children to celebrate their natural abilities and talents, and to persist with the things they find more difficult. To not give up builds resilience. To try is to improve. Doing your best is how you can be the best you can be.

Encourages a healthy relationship with all our feelings, even the big ones.
