The Billabong Bush Dance

Written by Amy Dunley | Illustrated by Tyrown Waigana
 Hardback

- *The Billabong Bush Dance* is a lovely story of a Platypus in the bush who learns to accept that everyone is different and that's okay.
- Themes of resilience and perseverance will help children to value their own abilities and not feel pressured to be like everyone else.
- The book is illustrated by the extremely talented Tyrown Waigana, whose unique and quirky art style really brings the cute story to life.
- In 2022, author Amy Dunley released another adorable children's picture book with Larrikin House, *Dancing With Dragons*.

The bush was abuzz with the sound of delight,
 for the billabong bush dance was later that night.
 All were excited. Well, all except one...
 Only poor Platypus hid from the fun.
 She cried to herself, 'Oh, these silly webbed feet!
 I'll never be able to dance to the beat.'

The Billabong Bush Dance is a gorgeous picture book that follows a Platypus learning to dance. This story will encourage you to embrace your differences and make them unique!

Feelings can be crawly things.

Some have spikes and some have wings.

Some will creep from nowhere, fast!

Some cling tight and some float past.

Inside each of us is a whole world of feelings. It is reassuring

to know that no matter what we feel in this moment, all feelings are okay.

I Feel the World encourages children to explore their feelings

with curiosity and acceptance. This book helps to make sense

of emotions and open up important conversations with parents, carers and teachers.

Bestselling children’s author Zanni Louise, and clinical psychologist Dr Ameika Johnson,

have created a beautiful resource to help children build resilience and develop a healthy

relationship with their feelings.
