# My Calm Me Down Book

Written & Illustrated by Trace Moroney

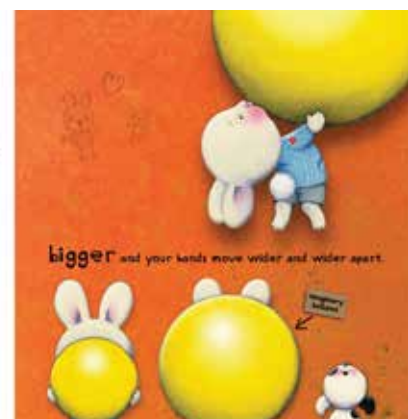

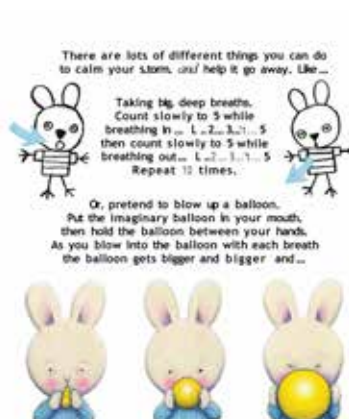

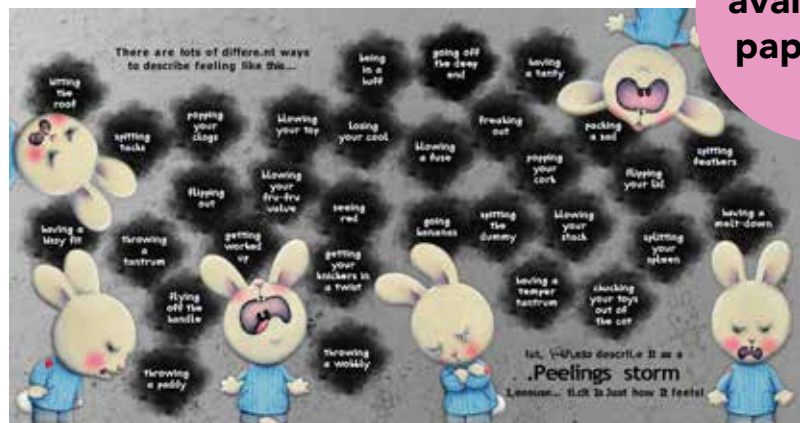

Paperback

- Identifies a child's tantrums as representative of the emotional turmoil or 'feelings storm' happening inside and explores the feelings that create these storms
- Offers children a range of proven techniques to help calm the storm inside them, including physical activities, sensory play, breathing, positive self-talk and mindfulness
- Includes supportive notes for parents and caregivers during tantrum time

The book every parent and carer has been waiting for to help calm the storm of tantrums.

Having a tanty? Chucking your toys out of the cot? Throwing a wobbly? These are just some of the phrases we use to describe having a tantrum. While it is easy to make fun of such an event, it represents emotional turmoil, or a feelings storm, happening within.
