LIGHT SUPPORT & STABILITY

Wearing a foam cervical collar for chronic neck pain or following a neck injury provides beneficial proprioceptive feedback to provide a gentle reminder to limit head and neck motions that may cause pain.

The Foam Cervical Collar helps relieve neck pain and discomfort by providing light support and stability for the head and neck. This collar is ideal for chronic neck pain, sports injuries, or whiplash injuries.

CONTOURED FOR COMFORT

Made from 1" polyurethane foam and covered with a 100% cotton stockinette cover, this support is comfortable against the skin. This collar is easy to adjust and contoured for comfort.
