8. Labeling

Compliant with EU guidelines.

Warnings: For external use only. Keep out of reach of children. Test on a small patch of skin before full application. Discontinue use if skin irritation occurs. Store below 25°C and out of direct sunlight.

9. Data on serious undesirable effects

None declared at the time of preparation of this document.

10. Material Safety Data Sheet (MSDS/SDS) Precautions

A. Handling and Storage

No special handling techniques required.

Keep out of reach of children. Store in a cool dry place. Keep from extreme heat, cold & sunlight.

B. Exposure controls and personal protection

No special personal protective equipment required.

C: Stability & Reactivity

The product is stable non-reactive. Avoid strong oxidising agents.

D: Toxicological Information

No acute or chronic toxic effects when used as directed.

E: Ecological information

No ecological hazards are associated with this product. It is biodegradable.

F: Disposal considerations

Dispose of product according to local and national regulations.

G: Transport information

Non Hazardous / Non-flammable. No shipping restrictions

H: Declaration of Allergens

No specific allergens are included in the product. For more information refer to the relevant Cosmetic Product Safety Report.
