

# TRI-KELP™

## 100% soluble organic seaweed powder

Different kelp species have unique effects upon plant health and crop potential depending upon their nutrient and hormonal profile. Tri-Kelp™ from NTS offers a unique formulation of the three most popular growth promoting seaweed species. *Laminaria*, *Sargassum* and *Ascophyllum nodosum* are the three components of a new 100% soluble seaweed powder, which promises to redefine the concept of cost-effective kelp.
