

## OVERVIEW:

We are seeking a brewer to join the Little Brown Jug team. The ideal candidate is an experienced brewer with adequate training to execute the entire brewing process. This position is ideal for someone who enjoys the challenge of perfecting many different recipes as we are a production brewery with an array of permanent offerings and we are always working on something new. Day-to-day operations include interacting with the many cultural and community events that take place in the open concept brewery.

## COMPANY:

Little Brown Jug is a production and taproom brewery on the edge of Winnipeg's Exchange District. Since opening in December 2016, Little Brown Jug has built a driven, professional, dynamic team that is encouraged to take initiative and provide input into business decisions.

Little Brown Jug's core values are Honesty, Quality and Community. These values inform everything we do including how our product is produced, the community events we host, our relationship with our customers and how we engage with our team. Little Brown Jug offers competitive pay and amazing company culture.

## DUTIES:

- Execute entire brewing process
- Wort production and centrifuge
- Record, document and report production and fermentation and utilize manufacturing software
- Quality control management
- Design and execute new recipes on our pilot brewhouse
- Clean brewhouse and fermenters
- Packaging/kegging when needed
- Additional warehouse maintenance and cleaning

## REQUIREMENTS:

- Formal training in brewing/science OR 2 years production experience
- Able to maneuver 150lb kegs + lift 55lb malt bags over head
- Ability to take initiative and identify improvements to production
- Strong attention to detail
- Excellent judgement
- Strong team player

## APPLY:
