

Enriching the lives of small furries
(and their humans) every day.

www.haypigs.com

Complete the grid by adding the
number of a circus prop in each box
(or if you like, draw the prop instead!).

RULES:

There must be one of each circus prop
in every row, column and mini grid.

Enriching the lives of small furries
(and their humans) every day.

www.haypigs.com

Cut out all of the shapes on the left
and then see if you can fit them inside
this square to form a picture!

RULES:

The shapes cannot overlap and must
all fit within the boundary of the
square.
