LIGHTNING LAP RESURFACING POLICY (International)

(Mar. 2024)

6" or 8" Toppers - 50% of current new purchase price, + your worn laps, and return shipping fee.

USPS International Express flat rate is our mode of shipment.

All laps for resurfacing fees must be paid, the laps returned and received by us before replacements are sent the user. Due to your location, payment for services can be made with PayPal.

And you might consider purchasing more new laps which can be sent along with the return of your replacement laps, reducing the costs of shipping.

Usual turnaround time is next business day after receipt, depending on availability of ready stocks.

We always state, "Returned Warranty Goods" for resurfaced products, on the shipping label. And show a bare minimum value for the shipment.

Your worn laps should be sent to the following address:

Lightning Lap

PO Box 494

McCaysville, Georgia 30555
