

Artisan Tropic creates delicious, snackable Plantain and Cassava Strips straight from farms in Colombia. The line includes cravable flavors all made with real, wholesome ingredients you can recognize. The variety of plantains and cassava are of the highest quality, single sourced and produced by hand.

Beyond the wholesome ingredients, the magic of Artisan Tropic starts with their team, the Guzman family. When daughter Maca was diagnosed with an autoimmune disease in 2012, the Guzman family wanted to find a holistic approach to food and nutrition as their solution. And so, Artisan Tropic was born.
