CHRISTINA
It just works

DAY CREAM CONTROL CLARIFY SPF 50ml

Unique formula of non-comedogenic oils provides hydration, leaving the skin calm and matte.

NIGHT CREAM REPAIR BRIGHTEN 50ml

Repairing night cream helps reduce the visibility of blemishes and scars. Boosts cell regeneration, revealing a smooth, uniform, and glowing complexion.

SERUM PROTECT HYDRATE 30ml

The unique formula features an innovative antioxidant peptide that fights free radicals and strengthens the skin's resilience to damaging environmental factors.

SPOT CORRECTOR DRY UP REFINE 30 ml

Topical drying gel significantly reduces blemishes, leading to a smooth, healthy looking skin.

FEATURED ACTIVES

ACNE CONTROL:

Matmarine - a biotechnological active ingredient extracted from a marine strain, reduces sebum accumulation, pores and shininess.

Salicylic acid - removes dead cells, rids the skin of excessive oil and bacteria.

Phytic acid - antioxidant and anti bacterial properties, exfoliates gently.

Sulfur - controls sebum secretion, helping absorb excessive oil.

NOURISHMENT & HYDRATION:

Hydrate Complex - preserves the skin's water reservoir, boost cell renewal & improve elasticity.

Crystalhyal - pure hyaluronic acid of botanical origin that traps moisture in skin.

Vitamin E - antioxidant protects against free radicals.

SKIN REPAIRING:

Marine C Thiopeptide - an anti inflammatory and anti bacterial marine peptide that reduces incidence of comedones and diminishes redness. Speeds up healing and rehabilitation processes.

Quintasine - advanced peptide with antioxidants that strengthen natural skin defenses.

Pearl Lime - AHAs version 2.0. offers a new mechanism for cell regeneration.

Hydrotensyl Complex - botanical complex that moisturizes and boosts collagen and elastin.
