In Tasmania, we are fortunate to experience a cool, temperate climate and there is nothing that indicates the change of seasons more than a deciduous tree. From the lush shoots or flowers of spring, to the shaded canopy of summer, to the changing leaf colour of autumn and finally, the ghostly branches of winter, the deciduous tree is the perfect specimen for your garden. It will provide shade through the heat of summer and allow sun into your garden in the cold of winter. We carry a large range; from the smaller growing trees such as Japanese Maples, to the larger growing Elms and Birches.

To ensure a wide selection of trees, we order from a number of different suppliers. Therefore, the availability of stock listed in this catalogue is subject to delivery from our suppliers. If you do not see the particular tree that you want listed, please enquire as it may be available.

We will notify customers as their orders are filled and unless prior arrangements are made, we require all orders to be collected by the end of July. This will ensure that customers receive their trees in prime condition.

Whilst Chandlers Nursery will take every possible precaution to ensure that the trees we sell are true to name and label, we cannot be held responsible for errors outside our control. We will replace wrongly labelled trees where possible, or substitute where necessary.

Please note that varieties not specified as potted will be bare-rooted.

### PLANTING AND CARE

The site of planting should be well prepared prior to planting. Dig a hole roughly double the size of the root ball and mix compost or manure with the existing soil. We recommend Chandlers Organic Compost for planting. Water in well with Seasol and firm the soil gently. Seasol stimulates root growth and minimises transplant shock. This is especially important as a lot of our ornamental trees are ground grown and are dug up when dormant. Continue Seasol fortnightly until the beginning of spring. This will improve drought hardiness of your tree. For people in drier areas, it would be advisable to plant fruit trees with water storage crystals or Seasol Planting Gel.

Spring is the time to mulch around your new trees, ensuring to leave a gap around the trunk. This helps retain moisture in the soil and prevents competitive weeds from sprouting. Our dry summers can make it hard for trees to establish and we suggest several deep soakings a week either using an automatic system, or by hand. Increase this to 3-4 times a week in very hot weather.

## MAPLES

### Acer japonicum 'Vitifolium'

Medium tree, growing to 5m x 5m, with rich green leaves that turn a brilliant red-orange colour in autumn. \$79.95

### Acer palmatum

Medium tree with bright green leaves, colouring to shades of orange and red in autumn. Grows to 4m x 4m. \$49.95

### Acer palmatum 'Atropurpureum'

Small, dense tree growing to 3.5m x 3m. Crimson leaves in spring turn bronze in summer and a vibrant crimson in autumn. \$79.95

### Acer palmatum 'Bonfire'

Dainty small tree to 3m x 2.5m. Attractive foliage in spring, turning scarlet in autumn. \$79.95

### Acer palmatum 'Butterfly'

Excellent small tree to 3m x 2m. Striking cream margin on green foliage that turns yellow-orange to red in autumn. \$79.95

### Acer palmatum 'Dissectum Crimsonwave'

Beautiful small tree growing to 4m x 4m. Fine, deep-burgundy, lacy foliage, turns golden-yellow in autumn. \$79.95

### Acer palmatum 'Dissectum Seiryu'

Delightful tree growing to 4m x 4m featuring deeply incised foliage that turns golden and red in autumn. \$79.95

### Acer palmatum 'Elegans'

Graceful, small, robust tree growing to 4m x 3m. Bright green leaves turn brilliant golden-orange and red in autumn. \$79.95

Acer palmatum 'Osakazuki'

Strong growing maple with rich, dark green leaves that turn intense crimson in autumn. Grows to 5m x 4m. \$79.95

Acer palmatum 'Red Pygmy'

Compact tree growing to 2m x 2m. Delicate red leaves turn yellow, orange and red in autumn. \$79.95

Acer palmatum 'Sango Kaku'

Also known as 'Senkaki'. Lovely mid green foliage that turns brilliant yellow in autumn. Young stems are a brilliant coral pink. One of our most popular Japanese maples. \$79.95

Acer palmatum 'Shaina'

Unusual dwarf maple growing to 1.5m x 1m. Maroon foliage in spring and summer, turning a brilliant scarlet in autumn. \$79.95

Acer palmatum 'Shishigashira'

Eye-catching, slow growing maple to 3m x 2m. Dense, dark green, deeply lobed leaves that turn gold to red in autumn. \$79.95

Acer rubrum 'Autumn Blaze'

Large tree with deeply lobed leaves turning an intense red in autumn. Tolerant of moist sites. Grows to 12m x 8m. \$99.95

Acer rubrum 'October Glory'

Tall growing tree with leaves that turn pinkish-red, then brilliant orange-red in autumn. Grows to 12m x 8m. \$99.95

## **BIRCHES**

### **Betula pendula**

Silver Birch. Popular ornamental tree with silvery-white bark and pendulous branches. Grows to 10m x 5m. \$39.95

### **Betula pendula 'Dalecarlica'**

Cut Leaf Birch. Deeply cut, lacy leaves with a lovely white trunk and branches. Very pendulous. Grows to 11m x 6m. \$69.95

## **CHINESE CEDAR**

### **Cedrela sinensis**

Spectacular small tree with pale pink foliage in spring that turns cream, then green. Grows to 4m x 3m. \$49.95

## **FOREST PANSY**

### **Cercis canadensis 'Forest Pansy'**

Superb tree with heart shaped, red-purple foliage and masses of pink flowers on bare branches in early spring. Grows to 4m x 4m. \$99.95

## **DOGWOODS**

### **Cornus kousa 'Scarlet Fire'**

Small tree with a profusion of deep pink flowers in spring. Excellent autumn foliage of orange and red. \$79.95

### **Cornus nutallii**

Medium sized tree with white flowers in spring. Grows to 6 x 4m. \$79.95

## **MAIDENHAIR TREE**

### **Ginkgo biloba**

Believed to be one of the oldest trees on earth. Attractive lime-green foliage turns gold in autumn. Growing to 9m x 5m. \$69.95

## **HONEY LOCUST**

### **Gleditsia 'Sunburst'**

Medium tree with a graceful spreading habit and ferny yellow-green foliage that turns yellow in autumn. Grows to 5m x 5m. \$69.95

## **WITCH HAZEL**

### **Hamamelis 'Diane'**

A large shrub that bears fragrant, copper-red, ribbon-like flowers in late winter. Grows to 3.5 x 4.5m. \$69.95

### **Hamamelis 'Jelena'**

A large shrub that bears fragrant, copper-orange, ribbon-like flowers in late winter. Grows to 3.5 x 3.5m. \$69.95

### **Hamamelis mollis 'Pallida'**

Vase shaped tree with green foliage that turns yellow in autumn. Clusters of thin spidery yellow flowers appear in mid to late winter. Grows to 2m x 2m. \$69.95

## **CREPE MYRTLE**

### **Lagerstroemia 'Acoma'**

Excellent tall shrub with white flowers borne in summer. Autumn foliage is purplish-red. Grows to 3m x 3m. \$74.95

### **Lagerstroemia 'Biloxi'**

Small tree with pale-pink flowers in summer. Autumn foliage is yellow to reddish-orange. Grows to 6m x 4m. \$74.95

### **Lagerstroemia 'Sioux'**

Small tree with masses of vibrant pink flowers in summer. Reddish-orange autumn colour. \$74.95

Lagerstroemia 'Tuscarora'

Small tree with dark fuchsia-pink flowers in summer. Foliage is reddish-orange in autumn. Grows to 6m x 4m. \$74.95

**FLOWERING APPLES**

Malus floribunda

Masses of single pale pink to white blooms in spring. Grows to 5m x 5m. \$44.95

Malus 'Gorgeous'

Excellent small tree with masses of pinkish-white blooms in spring. Crimson red fruit from early autumn to winter. Grows to 3m x 3m. \$44.95

Malus ioensis 'Plena'

Also known as Bechtel Crabapple. Masses of soft, double pink and white scented flowers in late spring. Good autumn foliage. Grows to 5m x 4m. \$44.95

**FLOWERING CHERRIES**

Prunus 'Mt Fuji'

Spreading, horizontal tree with semi-double white flowers in pendulous clusters in mid spring. Good autumn foliage. Grows to 4m x 6m. \$44.95

**FLOWERING PLUMS**

Prunus x blireana

Double rose pink flowers in early spring followed by bronze-purple foliage. Grows to 4m x 4m. \$44.95

Prunus 'Elvins'

Small, compact tree that features prolific, small white blossoms in mid-spring. Grows to 3m x 3m. \$44.95

## **FLOWERING PEARS**

### Pyrus calleryana 'Capital'

Narrow growing cultivar with a profusion of white flowers in spring. Lush, glossy green foliage turns reddish-purple in autumn. Grows to 11m x 3m. \$64.95

### Pyrus calleryana 'Chanticleer'

Narrow, conical and dense tree with white flowers in spring. Foliage turns gold, plum and burgundy in autumn. Grows to 11m x 6m. \$64.95

## **LILACS**

Lilacs are hardy, small trees or tall shrubs growing to 2.5m x 2.5m. Renowned for their perfumed flowers between mid-spring and early summer.

### Syringa 'Alice Eastwood'

Double, mauve pink flowers in mid spring. \$49.95

### Syringa 'Belle de Nancy'

Semi-double to double, lilac pink flowers in mid spring. \$49.95

### Syringa 'Charles Jolly'

Double reddish-purple flowers in mid spring. \$49.95

### Syringa 'Congo'

Single, dark purple flowers in mid spring. \$49.95

### Syringa 'Cora Brandt'

Double white flowers in late spring. \$49.95

### Syringa 'Katherine Havemeyer'

Double mauve pink flowers in late spring. \$49.95

### Syringa 'Mrs Edward Harding'

Double, deep purplish-red flowers in spring. \$49.95

### Syringa persica

Single, pale lilac flowers in mid-spring. \$49.95

### Syringa 'Sensation'

Single, purple edged white flowers in mid-spring. \$49.95

## **STANDARD & WEeping TREES**

### **Weeping Japanese Maples**

#### **Acer 'Dissectum Atropurpureum'**

Rich purple, lacy foliage turning burgundy to purple in autumn.

1.2m standard \$199.00

#### **Acer 'Dissectum Emerald Lace'**

Green lacy foliage that turns yellow to orange in autumn.

1.2m standard \$199.00

#### **Acer 'Dissectum Inaba Shidare'**

Burgundy foliage that turns brilliant crimson in autumn.

1.2m standard \$199.00

#### **Acer 'Dissectum Orangeola'**

Foliage orange then brown-red and green then orange-red in autumn.

1.2m standard \$199.00

#### **Acer 'Dissectum Sekimori'**

Lime green new growth in spring, turns to deep green in summer. Bright golden yellow and orange tones in autumn. 1.2m standard \$199.00

#### **Acer 'Dissectum Shojo Shidare'**

Intense purple foliage with subtle orange, yellow and red in autumn.

1.2m standard \$199.00

#### **Acer 'Dissectum Viridis'**

Green foliage turning brilliant scarlet red in autumn.

1.2m standard \$199.00

## **Cherries (Prunus)**

### Cheales Weeping Cherry

Grafted on a 1.8 metre standard. Semi-weeping cherry with double, deep pink blooms in mid-spring.  
\$129.00

### Mt Fuji Cherry

Grafted on a 1.8 metre standard. Horizontal habit with large, semi-double blooms in spring. \$129.00

### Snow Fountain Cherry

Grafted on a 1.8 metre standard. Superb weeping cherry with masses of single white blooms in spring.  
\$149.00

### Prunus subhirtella 'Alba'

1.8m standard. Masses of small, single white flowers in mid spring.  
\$129.00

### Prunus Subhirtella 'Rosea'

1.8m standard. Masses of small, single pink flowers in mid spring.  
\$129.00
